**When:** Friday, 30 August 2019 8:00 AM-8:30 AM (UTC+12:00) Auckland, Wellington.

**Where:** Skype Meeting

This meeting is for Susan to brief Gavin on the LINZ initiative "Key Datasets for Resilience and Climate Change", and the commitment Fire and Emergency have made to this. The focus is on the Suburbs layer that Fire and Emergency maintains. As part of the discussion, Sarah can share feedback received from stakeholders of the dataset. Sarah can also cover off how she would like Fire and Emergency to engage into the initiative.

From this briefing, we will need to work through things like Fire and Emergency representation in the initiative, and the steps we will take to achieve the stated commitment.

Hi Chris and Matt

In preparation for our meeting with Gavin, could you please tell me more about Gavin's role and his responsibility for the suburbs dataset.

Also, could you remind me what year Fire and Emergency NZ first made the suburbs data available under licence?

That would be a big help.

Thanks, Susan
