Dear Grace Haden

OFFICIAL INFORMATION ACT REQUEST

Thank you for your FYI request of 13 February 2020 relating to the Animal Welfare Institute of New Zealand (AWINZ), in which you stated the following.

'I have been told that I have all the documents and know that AWINZ was not incorporated because our trusts successful incorporation in 2006 proved that no other legal person by that name existed.

AWINZ enforced the law on the public for 10 years yet had no accountability to the public, this has been brought to the attention of the Ministry for Primary Industries (MPI) and I cannot believe that this has simply been covered up.

Please provide all documentation which MPI relied upon for a legal existence of AWINZ. I am aware that you were provided with a trust deed in 2006 which differed from the deed which was produced in court and would like to know what MPI has ever done with regards to the fraudulent application for approved status and the supply of a fraudulent trust deed.

All information held by MPI regarding AWINZ has already been released to you. As noted on many occasions previously, MPI considers matters relating to AWINZ to be closed, and as such, any future requests for information regarding AWINZ will be refused pursuant to section 18(h) of the Official Information Act 1982 (OIA) - the request is frivolous or vexatious.

MPI have not reached this decision lightly, however we have detailed our reasons for this decision below. These reasons have all been communicated in previous OIA responses, to repeat requests for information relating to AWINZ.

- 1. MPI has advised that a request for comment is not a request for official information covered by the OIA. There is no obligation on an agency to form an opinion or create information in order to answer a request in the form of questions or interrogatory.¹
- 2. MPI released a large amount of information regarding AWINZ in response to your official information requests from 2006-2015.
- 3. In 2009, MPI also provided you with access, over two days, to examine and select copies of all relevant documentation held by MPI.
- 4. In response to your more recent OIA requests (*OIA18-0827*, *OIA18-0860* & *OIA19-0004*), MPI reiterated that it does not hold any additional information to that which has already been provided to you.²

You have the right under section 28(3) of the OIA to seek an investigation and review by the Ombudsman of this decision.

Yours sincerely

Michelle Morehu

Director Government Services
