Hi Hannah

Having spoken to Michael McKeon he suggest that I continue to provide a link to our Regional people for LGWM. Depending on the nature of the enquiry I'd link to Michael on the strategic aspect and interaction with our regional assets, our property people for that kind of enquiry or to our consents / planning team as appropriate.

Michael will follow up with Barry regarding Mass Rapid Transit - can you supply his contact details please.

You also mentioned a stakeholder proposal. Did you want to send that through or given me a call regarding that?

Cheers  
Lyndon

Hi Hannah

Sorry for the delay in replying – been a little busy.

I've forwarded your enquiry to our local team regarding a local contact. I'll come back once I've heard from them.

Cheers  
Lyndon

Hi Lyndon,

How are you? Hope the lockdown is not driving you too crazy!

I am looking after the Thorndon Quay and Hutt Road project for LGWM and Barry Watkins is looking after the Mass Rapid Transit workstream. Within LGWM, we think we are the only two current PMs that will need to liaise with KiwiRail. Are you the best person for us to speak to about the KiwiRail – LGWM interface? Barry and I would be keen to touch base and I also have a stakeholder proposal that I need to discuss with you.

If you are the correct person, can you give me a few time over the next couple of weeks when would be convenient to have an initial discussion. If you are not the correct person, please can you point me in the right direction.

Many thanks and kind regards

Hannah
