Kia ora Shane

Thank you for your email of 13 July 2020 to the Ministry of Education requesting the following information under the Official Information Act 1982 (the Act):

Please provide an extract of data from the system you currently use to track information requests submitted under the Official Information Act 1982.

The extract should be in a machine readable form. This means either via a publicly accessible API or file in csv or JSON format.

The extract should have the following details in a single row for each request that was submitted:

- *The title of the request.*
- *The date your organisation received the request*
- *The date of the final response from your organisation to that request, or the date you closed the request*

To reduce the effort required by your organisation I am requesting records for the date range that the data is available in your OIA tracking system. For example if your OIA tracking system only holds two years of records then I am requesting data for those two years.

The Act requires that you are advised of the decision on your request no later than 20 working days after the day we received your request. Unfortunately, it will not be possible to meet that time limit and we are therefore writing to notify you of an extension of the time to make the decision on your request pursuant to sections 15A(1)(b) of the Act, to 7 September 2020. We will try to respond sooner than this date if possible.

This extension is necessary because consultation is involved to make a decision on your request. The proper response cannot reasonably be made within the original time limit.

You have the right to ask an Ombudsman to review this decision. You can do this by writing to info@ombudsman.parliament.nz or Office of the Ombudsman, PO Box 10152, Wellington 6143.

Ngā mihi
