Our Parking Compliance team started tracking infringement data in 2012 and from these records, Main Highway Road has not been enforcing vehicles travelling an excess of 70kms in the Special Vehicle Lane (SVL). In May 2020, Auckland Transport began SVL enforcement. Before enforcing commenced, we a warning period between 14 May and 25 May 2020.

Our Metro team confirmed the bus frequencies and the increase in bus activity warranted monitoring.

On average this bus lane is monitored twice a week.

Should you believe that we have not dealt with your request appropriately, you are able to make a complaint to the Office of the Ombudsman in accordance with section 27(3) of the LGOIMA Act and seek an investigation and review in regard to this matter.
