

23 November 2020

Richard Murcott
fyi-request-13920-2b5b64e2@requests.fyi.org.nz

Kia Ora Mr Murcott

Thank you for your request made under the Local Government Official Information and Meetings Act 1987 (the Act), received on 7 October 2020. You have requested the following information:

- The actual total number of submissions received on the current draft spatial plan, whatever channel was used to submit?
- The final number of submissions received that used WCC's limited online questionnaire process?
- The number of submissions received by email.
- The number of submissions that attached/used WCC's downloadable PDF?
- The number of submissions that arrived by postal mail or perhaps were hand-delivered?
- What was the total number of submissions on the Draft Spatial Plan that originated from the Generation Zero platform, or used their form entitled 'A City for People'?
- A breakdown by suburb (address of the author) of the total number of submissions received?

As per my decision letter dated 4 November 2020, the Wellington City Council (the Council) has **granted** your request for information at no cost.

Submission for the Spatial Plan		
Method	Total	Notes
Total submitters:	2898	The total number represents the total number of submitters regardless of how they submitted feedback. Some submitters provided feedback in multiple formats.
Online Submissions:	1924	(Excludes PDFs entered by Council Officers).
By post or delivered	201	This number includes downloadable PDF forms and written submissions.
By email	426	This number represents the number of people who sent in their submission (whether written in their own format or as the PDF form attached – excludes City for People webpage submissions).
Downloadable PDF (either by post or by email)	70	This number represents submissions in the PDF format that were able to be entered into the online submission form by Council Officers.
The City for People webpage submission:	387	A short submission form was set up on an external webpage which allowed submitters to select statements they agree with and provide their own comments. By entering this form it automatically sent an email to the Planning for Growth inbox with a summary of their submission.

Oral submission from the Council meeting dated 4 November 2020 has been made publicly available. Please click on the link to access this information. <https://wellington.govt.nz/-/media/your-council/meetings/committees/strategy-and-policy-committee/2020/4-nov/2020-11-04-agenda-spc.pdf>

Below is the breakdown of all submissions received by the Council broken down by suburb for the Spatial Plan.

Island Bay	71	Mount Victoria	302	Tawa	57		

Note:

Your request for the addresses or the submitter has been refused under section 7(2)(a) of the Local Government Official Information and Meetings Act 1987, as it contains personal information about private individuals. We have provided you with the suburb of each of the submitters.

Right of review

If you are not satisfied with the Council’s response, you may request the Office of the Ombudsman to investigate the Council’s decision. Further information is available on the Ombudsman website, www.ombudsman.parliament.nz.

Thank you again for your request.

Kind regards

Asha Harry
Assurance Advisor
