What you need to do (your obligations)

MINISTRY OF SOCIAL
DEVELOPMENT
TE MANATŪ WHAKAHIATO ORA

When you're getting payments from us, there are some things you need to do to make sure you're getting paid the right amount.

If you don't do these things, we could pay you the wrong amount. It could also mean we have to reduce or stop your payments. We don't want you to miss out on money you need so please read these carefully.

Let us know when things change

You need to let us know about changes that might affect the amount you're paid.

Changes to information about you or your family, like:

- name, address, contact details or bank account number
- starting or stopping living alone
- starting or ending a relationship, marriage, or civil union
- your partner passes away
- the number of dependent children you support.

We also need to know if you:

- go into or come out of hospital
- are being held in custody or on remand.

If we have the wrong information we could pay you the wrong amount. If we pay you too much you might have to pay us back.

i We can't pay you while you're out of New Zealand unless we've agreed to it.

Tell us if you're going overseas

If you're travelling or moving overseas you may need to let us know because we may have to change or stop your payments. Whether you need to let us know will depend on your travel plans. There are some examples below.

If there's a good reason you can't tell us before you go, then you need to let us know as soon as you can.

To let us know your travel plans, you can complete a form on our website. Go to workandincome.govt.nz and search on *Overseas travel dates*.

When you get other payments from us

If you get other payments from us like Winter Energy Payment, Disability Allowance, Accommodation Supplement or Temporary Additional Support, you can keep getting them only for the first 28 days you're away. You need to let us know about your travel plans before you go.

Travelling for short trips of 28 days (four weeks) or more

You need to let us know if:

- you're going to be away more than 28 days, or
- you don't know how long you'll be away for, or
- you intend to have more than one overseas trip in the next 12 months.

Travelling for 26 weeks or less

You can travel to any country for 26 weeks or less and keep getting your payments as usual.

If you're still overseas after 26 weeks your payment may stop. If you're still over there after 30 weeks you may have to repay all your payments since you left.

If you get held up because of circumstances beyond your control that you couldn't have known about before you left, you may be able to keep payments made in the first 26 weeks.

Travelling for more than 26 weeks

If you have no intention of living in the countries you're planning to visit, you may be able to get all or some of your NZ Super while you're away. At least six weeks before you go, you need to contact us to apply to get your payments overseas. What you'll get depends on where you go and how long you've lived in New Zealand.

Going overseas to live

You can live almost anywhere in the world and still get all or some of your NZ Super. What you'll get depends on where you go and how long you've lived in New Zealand. Generally you must apply for payment overseas about 4-6 weeks before you leave New Zealand. To arrange a meeting, call our International Services team on **0800 777 227**.

What can happen if you don't meet your obligations

Your payments can stop if you don't tell us something we need to know.
