I have decided under section 15A of the Act to extend the time limits for deciding on your request by an additional 20 working days. Consequently, the extended due date for your response will be 9 June 2021. The extension is required because further consultations are needed to make a decision on your request. Despite the extension, a response will be sent to you as soon as possible.

You have the right to ask the Ombudsman to investigate and review my decision under section 28(3) of the Act.

Yours sincerely
