Dear Virginia Crawford

Official Information Act request relating to Agenda 2030

Thank you for your Official Information Act 1982 (the Act) request, received on 16 July 2021. You requested:

"Please supply all documentation, correspondence (including emails), that the Prime Minister has received (or has knowledge of) regarding Agenda 2030, from The United Nations, the World Health Organisation, the World Economic Forum, or any other global entity"

As your request relates to global organisations such as the World Health Organisation, and the World Economic Forums, I would normally transfer your request, at least in part, to the Ministry of Foreign Affairs and Trade (MFAT) under section 14(b)(ii) of the Act. However, I understand you have already made a similar request to MFAT, and therefore such a transfer is not necessary at this time.

In terms of your request as far as it relates to information held by this Office, we have not identified any relevant information. Therefore, I must refuse your request under section 18(e), as the requested information cannot be found.

You have the right to ask the Ombudsman to investigate and review my decision under section 28(3) of the Act.

Yours sincerely
