

Type 4 Appliance Build and Cascade Information

There are no Types 3, 4, or 5 appliances currently being built. However, there are plans to build Type 3 appliances. We also intend to relocate some of the existing Type 4 appliances, specifically:

Registration No.	Current Station	Proposed Station
EDH767	Palmerston North City	Avalon
CJA343	Avalon	Palmerston North City
CTS964	Whanganui	Mount Maunganui
CQN976	Mount Maunganui	Whanganui
GIS814	Gisborne	Ellerslie
EES297	Ellerslie	Gisborne
FGY533	Invercargill	Christchurch City
DCA505	Christchurch City	Invercargill
EHE595	Nelson	Te Atatu
EHE617	Te Atatu	Nelson
FIREYS	Rotorua	Papatoetoe
FGY576	Papatoetoe	Rotorua

The timeframe for these moves has not yet been determined.

Released under the Official Information Act 1982

Command/Hazmat Unit Appliance Build and Cascade Information

There are no Command/Hazmat Unit appliances currently being built. We do have a plan to relocate some of the existing Hazmat/Command Units, specifically:

Registration No.	Current Station	Proposed Station
FKG467	Gisborne	Wellington City
FCH77	Wellington City	Gisborne
FHF490	Dunedin City	Christchurch City
ELY999	Christchurch City	Dunedin City
FSG463	Hastings	Otara
FMY902	Otara	Hastings
FCH87	Invercargill	Auckland City
FMQ268	Auckland City	Invercargill

The timeframe for these moves has not yet been determined.

Released under the Official Information Act 1982
