Dear Tony

Transfer Request

Thank you for your request made under the Local Government Official Information and Meetings Act 1987 (the Act), received on 29 April 2022 regarding information about Let's Get Wellington Moving (LGWM) and Spatial plan. You requested the below information:

- 1) Since July 2020, a copy of meeting documentation for all meetings between WCC and LGWM where the predicted population and housing growth for Wellington City was discussed including copies of any agendas, reports and/or presentations at these meetings.
- 2) Since July 2020, a copy of the correspondence between WCC and LGWM on the predicted population and housing growth for Wellington City including copies of any reports and/or other information was attached to or linked from these emails.
- 3) A copy of meeting documentation for all meetings between WCC and LGWM where the WCC Spatial Plan reports "Citywide Estimated Growth Distribution Figures September 2021" and/or "Citywide Estimated Growth Distribution Figures 25/09/2020" were discussed including copies of any agendas, reports and/or presentations at these meetings.
- 4) A copy of the correspondence between WCC and LGWM where the WCC Spatial Plan reports "Citywide Estimated Growth Distribution Figures September 2021" and/or "Citywide Estimated Growth Distribution Figures 25/09/2020" were attached or discussed including copies of any other reports and/or other information was attached to or linked from these emails.
- 5) A copy of meeting documentation for all meetings between WCC and LGWM where the LGWM "Urban Development Summary Report. October 2021" report was discussed including copies of any agendas, reports and/or presentations at these meetings.
- 6) A copy of the correspondence between WCC and LGWM where the LGWM "Urban Development Summary Report. October 2021" report was attached or discussed including copies of any reports and/or other information was attached to or linked from these emails.

We have formally transferred your request to Waka Kotahi New Zealand Transport Agency (NZTA). As the information requested is believed to be more closely connected with LGWM. Wellington City Council will be working with NZTA to respond to your request. Under these circumstances, we are required under section 12 of the Act to transfer your request.

As we have transferred this request, it is effectively a new request made to that agency under the Act and the working day count, in terms of maximum time for making and communicating a decision beings again.

Thank you again for your request.

Kind regards

Asha Harry
