Subject: THE LAW IS THE SHEILD.....NOT THE SWORD STUART NASH

The events in CHCH where 52 people died is a symptom of where the law became the sword. The law attacks complainants. It casts peoples rights aside and human rights are ignored. This type of attitude created a sense of elitist power pushed to new heights by thugs being brought into management in police like in the 1980s where we saw people in high positions in police acting outside the law. The law became the sword. This is how John Harrison walked free from prosecution after conspiring with Tania Eden to break into my home by stealing a front door key. They both bugged my home and she was allowed to continue doing so through STUART NASHS because of his RELATIONSHIP WITH NAPIER CITY COUNCIL and Tania Wright who was mates with Tania Eden. No one has taken me to court for slander because all of this is true and the IPCA and Ministerial Services and Public Service has hidden all evidence. This goes right to the top!

It has taken me a while to work out the mechanics of why and who but it became clear very early in the piece that Tania Eden was working with Eastern Sector Police for Napier City Council to try to find out what we were going to do about ground water damage to our home and the break in committed by Eden and Harrison.

STUART NASH SHOULD BE EXPELLED FROM PARLIAMENT TOR HIS BEHAVIOUR. ARDERN HAS KNOWN ALL ALONG WHAT HE DID. HE TRIED TO HAVE ME COMMITTED.....THAT IS HOW FAR THAT CRIMINAL WAS PREPARED TO GO TO PROTECT NCC, HIMSELF, EASTERN POLICE AND HIS DODGY BIDDIES EDEN, RICKARDS AND MULTI MILLIONAIRE AND GOVT SUPPORTER JOHN HARRISON. Fixated Threat Assesment wankers turned up and demanded my husband commit me after 30 years of marriage. Dodgy cops driven by Eastern Sector Police.

THE SWORD BECAME THE SHEILD AND ANDREW LITTLE DID NOTHING ABOUT THE SEPARATION OF POWERS TO STOP POLICE GETTING INVOLVED IN COUNCIL AND VISA VERSA. SEPARATION OF POWERS WOULD HAVE STOPPED THE THUGS IN COUNCIL USING POLICE TO ATTACK ME. He is useless.

MINISTERIAL SERVICES FOR POLICE WERE CONTACTED EARLY IN THE PIECE AND THEY DID NOT RESPOND. NO ONE EVER RESPONDS BECAUSE THEY A KNOW THIS IS A MAJOR FUCK UP FROM BEGINNING TO END. THIS IS MAJOR CORRUPTION BY WAY OF GOVT FORCING BAD LAND AND THE CONTINUAL ATTACKS AND BUGGING OF OUR HOME EVEN WHEN WE SHIFTED TO A NEW ADDRESS.

THIS IS MAJOR CORRUPTION DRIVEN BY NAPIER CITY COUNCIL WITH PARTICULAR FOCUS ON BILL DALTON AND WAYNE JACK AND TANIA WRIGHT AND JOHN HARRISON.

I WANT COMPENSATION THAT I HAVE REQUESTED AND I DESERVE IT AFTER THE ATTACKS BY STUART NASH, NCC AND EASTERN POLICE BY THEIR HOME INVASION AND PHYSICAL ATTACKS USING SURVEILLANCE OVER CLOSE TO TWO YEARS. THESE PEOPLE USED THE LAW AS A SWORD AND NOT A SHEILD BECAUSE POLITICS HAS DAMAGED OUR DEMOCRATIC LEGAL SYSTEM AND BEEN USED TO POLITICAL ADVANTAGE AND USED AGAINST THE PEOPLE.

STUART NASH MISUSED HIS POWER AND HE MUST BE EXPOSED FOR THEM CRIMES HE BAS COMMITTED AS A MINISTER.

THE LAW IS THE SHEILD TO PROTECT PEOPLE LIKE IS WHO HAD THEIR HOME INVADED....SUCH IS THE EGO OF THE RICH FUCK JOHN HARRISON THAT HE WATCHED US WITH ALL THE UNDEBELLY SLUGS AND CS OF NAPIER AND MADE FUN OF US AND IT WAS THEIR LAUGHTER THAT EXPOSED WHAT THEY WERE DOING.

RICH SCUM WHO WERE LINKED TO NCC CAUSED ALL THIS BECAUSE BILL DALTON AND THE BULLYING CORRUPT MANAGEMENT TEAM THOUGHT THEY WERE ABOVE THE LAW AND THEY COULD USE POLICE AGAINST US AND THROUGH NASH AND ARDERN THEY DID. I TOLD ARDERN WHAT HE HAD DONE AND SHE DID NOTHING. THE SHEILD FAILED AND THE SWORD CAME IN FOR THE ATTACK BY WAY OF EASTERN SECTOR POLICE AND IT HAS NOT STOPPED.

I WANT COMPENSATION NAPIER CITY COUNCIL.....YOU ARE CRIMINALS AND YOU USED NASH TO TRY TO HURT US IN OUR WORK AND OUR HOME.

NAPIER CITY COUNCIL IS FULL OF THUGS MISUSING POWER AND USING NASH TO COVER UP MAJOR CRIMINAL ACTIVITY INCLUDING THE USE OF THE PRIVACY COMMISSIONER TO HIDE HISTORICAL WATER ISSUES THAT HAVE NOT GONE AWAY ON HOSPITAL HILL SUBDIVISION.

GOVT STARTED THIS BY FORCING BAD LAND AND REFUSING TO LOOK AT THE FRACTURING ROCK WHICH IS EARTHQUAKE PRONE AND SHOULD NOT BE DRILLED INTOTHEY WILL NOT LISTEN BECAUSE THEY WANT TO SELL MILLION DOLLAR VIEWS.

This is a serious fraud matter which started with the break in of my home and police breaking in to cover up the break in. NAPIER CITY COUNCIL WAS PARTY TO THE BREAK IN THROUGH ITS RELATIONSHIP WITH JOHN HARRISON AND WAYNE JACKS ACTIONS OF PULLING PUMPS AND HIDING FRACTURES ROCK WITH HALF A METRE OF LIME SOIL.

THIS IS CORRUPTION SUPPORTED BY DIRTY COPS AT EASTERN POLICE THROUGH STUART NASHS INSTRUCTIONS.

JACINDA ARDERN HAS KNOWN ALL ABOUT THIS CORRUPTION AND HAS SUPPORTED NASH IN HIS CORRUPTION BY REFUSING FREEDOM OF SPEECH WHERE A GOVERNMENT MINISTER HAS COMMITTED CRIMES AGAINST THE PROPLE. TO PROTECT A DODGY COUNCIL HE IS PARTICULARLY CLOSE WITH. THE PEOPLE OF MAPIER DESERVE PROTECTION FROM THIS THUG AND HIS MATE JOHN HARRISON AND THE MAORI MAFIA UNDERBELLY CRIMINALS WORKING OFF BALANCE SHEET FOR HARRISON AND NASH AND TANIA EDEN WHO BUGGED MY HOME FOR 18 MONTHS.

Thank you for the talk Graham Aylett.

Given the level of threats from Hastings police and FIXATED THREAT ASSESSMENT I would like 🖐 to engage your services to stop the bugging of my home by associates of Napier City Council and Napier Police. We will talk about when. Clearly Hasting Police do not want to help me and want to cause more injury through misuse of power.

The threats against me have caused considerable stress to myself and my husband when we are the victims and we did nothing wrong other than ask questions about water entering our property. Just because I know I am being bugged does not make me mad.

I am including the people who are currently attacking me into this email to bring it to their attention that they will get out of my home one way or another and if i use your services I will then have evidence to take them to court!

I look forward to hearing from you.

Kind regards

I have gone to local police to complain about the bugging of my home and they are trying to redirect me into FTAC again. I went to see Martin (MJJ376) last week about the bugging and he said I wasn't being bugged but I know this has been happening for 2 years - ever since John Harrison broke into my home.

They aren't interested in the fact that someone has started bugging us all over again.

I had a guy jump the fence and look through our windows when we were working on the property. This is not some mental woman making things up.

They don't want me complaining because it brings into question what they are doing for STUART NASH and JOHN HARRISON and the NCC with regards to the selling of bad land.

I WANT YOU TO STOP THESE VERMIN PLEASE. THEY HAVE CAUSED A LOT OF STRESS IN OUR LIVES AND I BELIEVE THEY ARE RESPONSIBLE FOR THE BUGGING TOO.

I am not seeing any clinicians and I will not be drugged yet again by morons who just want to shut me up because I am raising issues they want to hide....like the Privacy Commissioner withholding evidence about the land.

Deal with these arseholes please.

There is a long history of deviant development here on Hospital Hill, Napier.
This was govt land pushed into housing by crown health properties.

Information suggests you are the new owners after John Harrison's consortium bought land off Todd Land developments.

I'm not reinventing the wheel for you. I am presuming you know what the problems are with the land and will try to sell it anyway.

I have captured other entities who have a responsibility to ensure transparency and you need to ensure you know enough about the subdivision to fix the issues.

My personal opinion is that this land is screwed and always has been due to the water damage and any development is detrimental to the homes around it and the new homes will soon have issues with the land.

This is government trash sold at huge prices and you need to talk to the Privacy Commissioner to release the information about the site of the Hospital Hill and the North Ridge Apartments so that all purchasers know what the land issues are.

The pumps removing water for the Napier Hospital were functioning right up until WAYNE JACK HAD THE! PULLED TO HIDE THE WATER THAT WAS BEING PUMPED OUT. Todd pulled out because the water damage obstructed their development.

I am expecting that you know all this and are just as grubby as the people who offloaded the sections on to you.

His will come out eventually so are you going to be the ones people come to for compensation when their houses show stress?? Not everything will be paid for by EQC, will it Grant Richardson???? You are also vicariously part of this dirty land deal by doing no EQC assessment.

This is illegal and the OAG should have acted a long time ago but when govt is driving a dirty deal no one wants a pink slip handed to them for doing the right thing!!!

I did the right thing and NASH Has been attacking me ever since because he is wrapped up with NCC.....

Let's see what you know and what you do to NCC AND MR HARRISON. This should go to court. Illegal action should always go to court but NASH let John Harrison and Tania Eden And Tania Wright walk because they are his mates.

Go to court and bring all this out. You will win. Maybe the line of filth in this subdivision will stop. The land is WORTHLESS!!

All I wanted was to be able to talk to someone at Napier City Council about the water issues on my land. I was treated like I was standing in front of someone's food bowl and then my home got bugged. It was a crime committed by Napier City Council and Napier Police. Whether eastern police knew about it or not is irrelevant. They soon found out when I formally complained to IPCA.

SSC investigated and they found the evidence to support my complaint. John Harrison and Nash played a role in the repeated attacks and I deserve compensation. This is a turning point where JACINDA ARDERN TURNS NEW ZEALAND INTO A PRISON FOR ANYONE WHO WANTS FREEDOM OF SPEECH OR COMPLAINS!

WHEN I REFUSED TO BE BULLIED INTO TALKING TO SCUM WORKING FOR NASH AND JOHN HARRISON AND A SELECTION OF DIRTY COPS IN EASTERN POLICE THEY REFUSED TO LEAVE AND PLANTED THEMSELVES IN THE RECEPTION AREA FOR ABOUT 10 MINUTES FOLLOWING A TALK TO MY HUSBAND ABOUT HOW MAD I WAS.

THE ONLY THING MAD IN THIS SITUATION IS THE ABUSE BY NAPIER CITY COUNCIL GOVERNANCE TO TRY STOP ALL THE INFORMATION GETTING OUT ABOUT HUMAN RIGHTS ABUSE AND MISUSE OF POWER BY NCC AND NASH AS MINISTER FOR POLICE.

JOHN HARRISON AND TANIA EDEN AND TANIA WRIGHT AND A FEW OTHERS IN NCC I SUSPECT – USED A CRIMINAL PLANTED AT EDEN’S HOUSE TO BREAK INTO MY HOME AT 30 HOSPITAL TCE. STUART NASH HID THE MATTER EVEN AFTER I COMPLAINED TO IPCA AND TRIED TO STOP ME COMPLAINING TO ANYONE BY USING FTAC AND MAKING ME TAKE DRUGS.

NASH HAS SPENT 3 YEARS COMMITTING OFFENCES FOR NAPIER CITY COUNCIL TO PUSH BAD LAND, PROTECT JOHN HARRISON AND TANYA WRIGHT, TANIA EDEN, CLINT RICKARDS and NAPIER POLICE AFTER THEY:

Broke into our home, used police to commit offences against me, used Fixated Threat Assessment to try to make me look mental, bugged my home to see what we were doing about the subdivision, bugging my home to cause insult and physically attack my life and every moment of my day by monitoring us all the time.

NASH IS A CRIMINAL AND HE WORKS FOR JOHN HARRISON. HE IS COMMITTING FRAUD BY TRYING TO KEEP THE ISSUES WITH THE SCUMBAG NAPIER CITY COUNCIL OUT OF THE PRESS.

Subject: MINISTER COMMITS HUMAN RIGHTS ABUSES - ATTN JACINDA ARDERN - FORMAL COMPLAINT ENCLOSED DIRECTED TO NAPIER CITY COUNCIL ABOUT HUMAN RIGHTS ABUSES STIMULATED BY CORRUPTION FROM GOVERNMENT BY SELLING BAD LAND

AMNESTY INTERNATIONAL WERE BROUGHT INTO THIS BECAUSE THE POLICE ACT OUTSIDE THE LAW FOR THUGS AND NASH HERE IN NAPIER. THIS IS NOT FICTION. FTAC HAVE A FILE ON ME AND THAT WAS DRIVEN BY NASH!!!!!! I HAVE MORE CREDIBILITY THAN THAT PRICK HAS IN HIS DODGY LITTLE FINGER.

The last time I complained to you directly Jacinda about Nash, the Napier Police tried to enter my home to take me out to Hastings to be assessed by FTAC mental health team. The police pushed me into FTAC to try to discredit me. The POLICE ARE BULLIES AND THIS CULTURE HAS SPILT OUT INTO THE PUBLIC. NASH IS A POLITICAL LIAR WHEN HE SAYS BULLYING IS NOT AN ISSUE. IT HAS TO BE A FACT GIVE EVERYTHING THAT HAS HAPPENED HERE IN NAPIER. NAPIER POLICE ACTED LIKE A PACK OF DOGS AND TANIA EDEN AND TANYA WRIGHT (COUNCILLOR – WHO SHOULD BE SACKED!!!) WERE INSTRUMENTAL IN PRESSURING FOR THESE ACTIONS TO BE TAKEN.

THIS WAS HUMAN RIGHTS ABUSE BY POLICE AND NASH.

THIS IS DRIVEN BY LAND NOW BEING SOLD BY JOHN HARRISON WHICH WAS PUSHED INTO THE MARKET BY NATIONAL. NAPIER CITY COUNCIL HAVE ENGAGE POLICE TO ACT AGAINST ME COMPLAINING ABOUT THE WATER WITHIN THE HILL AND THE FRACTURING OF ROCK WHICH IS COMMON PLACE ON NAPIER HILL.

STUART NASH IS SCUM. YOU KNOW IT AND YET YOU STILL GAVE HIM THE POLICE PORTFOLIO SO HE COULD HAVE HIS BUDDIES BUG MY HOME.

N MAHUTA WAS TOLD RIGHT AT THE START ABOUT THIS BUT THAT LAZY COW DID NOTHING TO STOP THIS CORRUPTION. THIS BOAT HAS NOT SALED. I HAVE MADE THIS INFORMATION AVAILABLE TO THE REAL ESTATE ASSOCIATION AND FROM WHERE I STAND JACINDA ARDERN AND NASH HAVE ACTED OUTSIDE THE LAW BY ALLOWING POLICE TO COMMIT HUMAN RIGHTS ABUSES FOR JOHN HARRISON AND NAPIER CITY COUNCIL TO PUSH THE SALE OF THIS LAND AT HOSPITAL HILL SUBDIVISION.

I AM NOT GOING TO STOP AND NO DODGY POLICE OR NAPIER CITY COUNCIL OUTFIT UNDER THE ORDERS OF NASH IS GOING TO GET AWAY WITH HUMAN RIGHTS ABUSE.

It is about time Napier City Council started to accept that their relationship with John Harrison has steered them down a dangerous road. You have used Ex Cops in your ranks to enrol illegal actions by current police and you were caught out. You continued to commit human rights abuses towards me using police and Nash allowed John Harrison to walk free after he broke into our home and used infrared bugging to watch us and then Police used Eden's home to continue to bug me. You are continuing this now at 47 Exeter Cres. Your Councillors need to be aware of this dirty behaviour by those inside and outside Council and I will not stop until you pay me compensation for the grievous harm you have caused. Tania Wright has acted illegally and she must go. I have taken the action to bring the Hospital Hill Subdivision to light and how you started all this activity to drive a selfish demand for money regardless of the effects on people who buy that land or the people who are affected through water damage.

Too little too late IPCA. You and NASH have been given plenty of time to come clean about the corruption here involving Napier City Council.

Where is my compensation? Amnesty International know about the corruption here in Napier forged by Napier City Council and John Harrison and eastern branch police. You have been told to pay me. If Wayne Jack can walk away with \$2 Mio after committing crimes against me for NCC and Harrison and his bully mates then I deserve a lot more..... He was paid \$2.0mio to shut him up about what they did to hide the real issues of the Hospital Hill Subdivision. We have seen the documentation for those sections.....nothing but sidestepping to avoid doing a real EQC report that can be relied upon.....corruption by deception.

Police broke into my home to protect the name of NCC and you at IPCA proved that when you came here And then you tried to hide it. You refused to give me copies of my correspondence and this is not the full transcript of emails. You were contacted by me on bruvel@xtra.co.nz as well.

Nash is at the centre of this and I will make sure Napier is informed of his sculduggery if I do not speak to someone soon about compensation. John Harrison was at the centre of this with Tanya Wright, Wayne Jack, Eden and Rickards. All the 80s cops that people hated for a very good reason.

This is not going to end until NCC stumps up with the compensation I am due after 2 years of abuse by those involved with Napier City Council.

No one has any credibility unless you have a lawyer fighting your case irrespective of proof.

IPCA WITHHELD AND IS STILL WITHHOLDING INFORMATION PROVING THE CRIMINAL ACTIVITY HERE IN NAPIER.

This is all done covertly. When we were out 4 May between 5.00pm and 8.30pm they broke in through the sliding doors. It is pointless going to the police because they are they people doing it. I got something out before they could get it (purely my chance) and I heard them next door at 12.00pm saying they got it all except one item and most people wouldn't know what they were looking at. WRONG. I could see something very wrong with this item and I have done more investigation to prove it is a listening device in our bedroom. Now I have found something else. Tanya Wright and coy under estimate me.

What happened?

Please tell us about the Police actions you want to complain about.

I believe that a covert operation is currently in force here in Napier to monitor my movements outside my home and when I am at home.

I have having a battle with Napier City Council over water not being managed on the Hospital Hill and they are proving to be a much bigger beast to deal with.

They are engaging the Eastern Distict Police to monitor my movements and break into my home to place bugs and cameras. I have only just put in more security and now find my newly installed alarm system is being tampered with so that it doesn't work.

This is not feeble minded drivel. I have been targeted by both the council, police and rich investors because I have chosen to seek a solution to the damaging water which has been made worse by their development activities.

This cannot be the way New Zealand Police operates now surely? Has our police lost its purpose? Has it been redefined so much by events in chch that harassment by rich thugs using police is now acceptable?

Why is my home being invaded? My home needs an electronic sweep now because I cannot be sure all the cameras and recording devices have been removed.

I am not making this up. I worked in intelligence in defence so I have some appreciation for the skills required. I have at least two items they used and I am happy to show them to the appropriate people.

This is difficult for me because I have never had a bad experience with police but this council (through Tanya Wright) uses the eastern police for her/councils own ends. The fact that Tania Eden and Clint Rickards are in the mix only serves to make this situation even more stressful. They are my neighbours and rent their house out until they get what they want and I am standing in the way of it.

Convert Police and council harassment towards me is building every day. The more I push back to get my home back the more they break into my home.

I need protection. I have never broken the law. I serve the law by working in a legal office. All I am trying to do is stop this government from pushing damaged land onto new home owners. The land on hospital hill subdivision leaks and Wayne Jack purposely pulled all the pumps to hide the proof. He is a criminal by his actions...but you don't see him being told off.

This is a huge beast I am fighting and to have my home entered when I am not home is pretty unsettling.

The level of bullying by police and this council is untenable. I am formally reporting the Napier City Council and their police associates. I know this is like catching smoke but I have also reported the Council to the SFO as they and the Govt have not acted in good faith with Napier people and their combined efforts are all being called into question.

There are a lot of developers in the housing chain that are also pissed off with me but what can I do? My house is being damaged every day by this council and they refuse to talk to me and refuse to take any action that they are supposed to be taking because too many rich twats are shaking their chain. The council is now driven by rich people who have no boundaries and can buy their police army.

My husband and I deserve better and it just seems like crime wins these days.

I got something out before they could get it (purely my chance) and I heard them next door at 12.00pm saying they got it all except one item and most people wouldn't know what they were looking at. WRONG. I could see something very wrong with this item and I have done more investigation to prove it is a listening device in our bedroom. Now I have found something else. Tanya Wright and coy under estimate me.

What happened?

Please tell us about the Police actions you want to complain about.

I believe that a covert operation is currently in force here in Napier to monitor my movements outside my home and when I am at home.
I have having a battle with Napier City Council over water not being managed on the Hospital Hill and they are proving to be a much bigger beast to deal with.
They are engaging the Eastern Distict Police to monitor my movements and break into my home to place bugs and cameras. I have only just put in more security and now find my newly

installed alarm system is being tampered with so that it doesn't work.

This is not feeble minded drivel. I have been targeted by both the council, police and rich investors because I have chosen to seek a solution to the damaging water which has been made worse by their development activities.

This cannot be the way New Zealand Police operates now surely? Has our police lost its purpose? Has it been redefined so much by events in chch that harassment by rich thugs using police is now acceptable?

Why is my home being invaded? My home needs an electronic sweep now because I cannot be sure all the cameras and recording devices have been removed.

I am not making this up. I worked in intelligence in defence so I have some appreciation for the skills required. I have at least two items they used and I am happy to show them to the appropriate people.

This is difficult for me because I have never had a bad experience with police but this council (through Tanya Wright) uses the eastern police for her/councils own ends. The fact that Tania Eden and Clint Rickards are in the mix only serves to make this situation even more stressful. They are my neighbours and rent their house out until they get what they want and I am standing in the way of it.

Convert Police and council harassment towards me is building every day. The more I push back to get my home back the more they break into my home.

I need protection. I have never broken the law. I serve the law by working in a legal office. All I am trying to do is stop this government from pushing damaged land onto new home owners. The land on hospital hill subdivision leaks and Wayne Jack purposely pulled all the pumps to hide the proof. He is a criminal by his actions...but you don't see him being told off.

This is a huge beast I am fighting and to have my home entered when I am not home is pretty unsettling.

The level of bullying by police and this council is untenable. I am formally reporting the Napier City Council and their police associates. I know this is like catching smoke but I have also reported the Council to the SFO as they and the Govt have not acted in good faith with Napier people and their combined efforts are all being called into question.

There are a lot of developers in the housing chain that are also pissed off with me but what can I do? My house is being damaged every day by this council and they refuse to talk to me and refuse to take any action that they are supposed to be taking because too many rich twats are shaking their chain. The council is now driven by rich people who have no boundaries and can buy their police army.

My husband and I deserve better and it just seems like crime wins these days.

Too little too late IPCA. You and NASH have been given plenty of time to come clean about the corruption here involving Napier City Council.

Where is my compensation? Amnesty International know about the corruption here in Napier forged by Napier City Council and John Harrison and eastern branch police. You have been told to pay me. If Wayne Jack can walk away with \$2 Mio after committing crimes against me for NCC and Harrison and his bully mates then I deserve a lot more..... He was paid \$2.0mio to shut him up about what they did to hide the real issues of the Hospital Hill Subdivision. We have seen the documentation for those sections.....nothing but sidestepping to avoid doing a real EQC report that can be relied upon.....corruption by deception.

Police broke into my home to protect the name of NCC and you at IPCA proved that when you came here And then you tried to hide it. You refused to give me copies of my correspondence and this is not the full transcript of emails. You were contacted by me on bruvel@xtra.co.nz as well.

Nash is at the centre of this and I will make sure Napier is informed of his sculduggery if I do not speak to someone soon about compensation. John Harrison was at the centre of this with Tanya Wright, Wayne Jack, Eden and Rickards. All the 80s cops that people hated for a very good reason.

This is not going to end until NCC stumps up with the compensation I am due after 2 years of abuse by those involved with Napier City Council.

No one has any credibility unless you have a lawyer fighting your case irrespective of proof.

IPCA WITHHELD AND IS STILL WITHHOLDING INFORMATION PROVING THE CRIMINAL ACTIVITY HERE IN NAPIER.

I believe that a covert operation is currently in force here in Napier to monitor my movements outside my home and when I am at home.
I have having a battle with Napier City Council over water not being managed on the Hospital Hill and they are proving to be a much bigger beast to deal with.
They are engaging the Eastern Distict Police to monitor my movements and break into my home to place bugs and cameras. I have only just put in more security and now find my newly installed alarm system is being tampered with so that it doesn't work.
This is not feeble minded drivel. I have been targeted by both the council, police and rich investors because I have chosen to seek a solution to the damaging water which has been made worse by their development activities.
This cannot be the way New Zealand Police operates now surely? Has our police lost its purpose? Has it been redefined so much by events in chch that harassment by rich thugs using police is now acceptable?
Why is my home being invaded? My home needs an electronic

sweep now because I cannot be sure all the cameras and recording devices have been removed.

I am not making this up. I worked in intelligence in defence so I have some appreciation for the skills required. I have at least two items they used and I am happy to show them to the appropriate people.

This is difficult for me because I have never had a bad experience with police but this council (through Tanya Wright) uses the eastern police for her/councils own ends. The fact that Tania Eden and Clint Rickards are in the mix only serves to make this situation even more stressful. They are my neighbours and rent their house out until they get what they want and I am standing in the way of it.

Convert Police and council harassment towards me is building every day. The more I push back to get my home back the more they break into my home.

I need protection. I have never broken the law. I serve the law by working in a legal office. All I am trying to do is stop this government from pushing damaged land onto new home owners. The land on hospital hill subdivision leaks and Wayne Jack purposely pulled all the pumps to hide the proof. He is a criminal by his actions...but you don't see him being told off.

This is a huge beast I am fighting and to have my home entered when I am not home is pretty unsettling.

The level of bullying by police and this council is untenable. I am formally reporting the Napier City Council and their police associates. I know this is like catching smoke but I have also reported the Council to the SFO as they and the Govt have not acted in good faith with Napier people and their combined efforts are all being called into question.

There are a lot of developers in the housing chain that are also pissed off with me but what can I do? My house is being damaged every day by this council and they refuse to talk to me and refuse to take any action that they are supposed to be taking because too many rich twats are shaking their chain. The council is now driven by rich people who have no boundaries and can buy their police army.

My husband and I deserve better and it just seems like crime wins these days.

They are engaging the Eastern District Police to monitor my movements and break into my home to place bugs and cameras. I have only just put in more security and now find my newly installed alarm system is being tampered with so that it doesn't work.

This is not feeble minded drivel. I have been targeted by both the council, police and rich investors because I have chosen to seek a solution to the damaging water which has been made worse by their development activities.

This cannot be the way New Zealand Police operates now surely? Has our police lost its purpose? Has it been redefined so much by events in chch that harassment by rich thugs using police is now acceptable?

Why is my home being invaded? My home needs an electronic sweep now because I cannot be sure all the cameras and recording devices have been removed.

I am not making this up. I worked in intelligence in defence so I have some appreciation for the skills required. I have at least two items they used and I am happy to show them to the appropriate people.

This is difficult for me because I have never had a bad experience with police but this council (through Tanya Wright) uses the eastern police for her/councils own ends. The fact that Tania Eden and Clint Rickards are in the mix only serves to make this situation even more stressful. They are my neighbours and rent their house out until they get what they want and I am standing in the way of it.

Covert Police and council harassment towards me is building every day. The more I push back to get my home back the more they break into my home.

I need protection. I have never broken the law. I serve the law by working in a legal office. All I am trying to do is stop this

government from pushing damaged land onto new home owners. The land on hospital hill subdivision leaks and Wayne Jack purposely pulled all the pumps to hide the proof. He is a criminal by his actions...but you don't see him being told off.

This is a huge beast I am fighting and to have my home entered when I am not home is pretty unsettling.

The level of bullying by police and this council is untenable. I am formally reporting the Napier City Council and their police associates. I know this is like catching smoke but I have also reported the Council to the SFO as they and the Govt have not acted in good faith with Napier people and their combined efforts are all being called into question.

There are a lot of developers in the housing chain that are also pissed off with me but what can I do? My house is being damaged every day by this council and they refuse to talk to me and refuse to take any action that they are supposed to be taking because too many rich twats are shaking their chain. The council is now driven by rich people who have no boundaries and can buy their police army.

My husband and I deserve better and it just seems like crime wins these days.

Dear Mrs Farquhar

I refer to previous correspondence. The Authority has concluded its enquiries with Police regarding the matter.

On 15 May you complained that Police and the Napier City Council had been breaking into your home and spying on you by monitoring your telephone calls and e-mails. You have also claimed that there are members of Police that hold positions of authority within the council and this is a conflict of interest.

Police records reviewed by the Authority identify that there are no current Police employees that hold a dual-role in a position within the Napier City Council. Further, no former Police employees have held a position on the Council at the time they were employed by Police. Police advise they have not intervened in your dispute with the council.

You have provided no information to substantiate why you believe you are being spied on, what form the spying takes, or why you think Police, or the Napier City Council might be responsible for it. In the absence of that type of information, there is nothing that either the Police or the Authority can do to address your concerns. After reviewing all the available information, the Authority has not identified any concerns in relation to Police conduct and will therefore close its file.

Yours sincerely

Subject: Fwd: Napier police and independent police conduct authority - POLICE AGGRESSORS AND HUMAN RIGHTS ABUSERS

In the USA there has been a huge backlash against Police acting like thugs and using excessively aggressive Techniques by using bugging to harass people 24/7 and remove peoples right to privacy and using FTAC to try to shut people down after being attacked.

This has been a key feature in my complaints. I have complained repeatedly to IPCA and i feel they have become the aggressor instead of a mediator. They used FTAC in conjunction with NASH and Eastern Branch Police to try to paint me as mad and assist Napier City Council in their refusal to deal with the issues of water mismanagement on Hospital Hill.

SSC may not be responsible for Councils and their refusal to talk to people but police are not supposed to act like their personal thugs to:

1. Stop councillors speaking out about illegal behaviour within Council And human rights abuses
2. Rich people like John Harrison with a direct relationship with the Minister of Police who has acted like a thug towards me using FTAC to try to shut me down and push me into MENTAL HEALTH to avoid fixing anything.

IPCA have supported these actions by hiding my complaints to them. They protect their own and not the people being attacked.

There is an incredible level of human rights abuse being used in the legal system and the labelling of people to avoid dealing with them.

This situation is no different to the type of behaviour exhibited by Palmerston North police in the killing of a person in their care. It shows the escalation of aggression which is now common place in police.

I am a ratepayer who is having her home damaged by the actions of Napier City Council and this council uses police to shut people down. This is human rights abuse and I reported this abuse to IPCA. My home was broken into by JOHN HARRISON and numerous people have been privy to watching me and my husband in our home And Sharon Coulam who lives in Hastings (her sister is a cop) visited John Harrison during COVID 19 and I heard her voice Passing comment about me. She used his technology to watch me using infrared lighting in appliances. Why does he have this? Why isn't the police sorting him out? He breaks the law and I get labelled as mental for complaining!! Nash and his Maori mafia cronies are acting outside the law and Napier City Council are trying to hide Serious EQC issues on Hospital Hill.

He takes full advantage of his technological ability (he has millions and can do whatever he likes and will break the law and use police for his own gain) and he has watched us in our home for over a year.

These police here in Napier (and Hastings) have no hesitation in bugging and I am sure our car has a tracking device installed.

We are not criminals. The criminals are police and IPCA cherry pick on who they protect and their approach has been very political to protect Napier City Council and Napier Police and that prick Nash who introduced FTAC who abused my human rights by forcing me into MENTAL HEALTH. These Napier police came to my home at 8.00pm banging on my windows and calling out my name to get us to open the door And let them in to take me. We freaked out at the aggression these scumbag police used and We went to the Mental Health unit next day. We did this to make them stop attacking us. I am glad I never let them into our home because I could not guarantee my safety while these thugs are attacking me in every other way.

Michael Bott has been engaged because the police acted outside their mandate and SSC need to take action to resolve the abuse against us.

This is a human rights abuse issue as police have acted illegally against us on a wide basis and Eastern Police are aggressive thugs.

Your website states you are there to ensure the agencies under your control are acting legally and IPCA are being manipulated to refuse to give a formal response to my complaint and to hide information because the actions taken by police for Napier City Council shows police cross the line to protect a rich thug linked to council and acting for council (through Ex Cop Tanya Wright and ex CEO Wayne Jack and that thug Bill Dalton who as the Mayor at the time and a close associate with John Harrison). In addition, John Harrison received protection from Nash as police minister as he also had a close association with council and used police to hide information.

This must be dealt with. You must respond to me and tell me what you intend to do. I will never give up so don't think you can ignore me after all the abuse I have suffered.

I have every right to expect answers and to have Napier City Council step up and fix their screw ups. The police have no place in bullying me and trying to Section 8 me for seeking a resolution because they screwed up and acted like thugs.

This will never end for me because my home(s) are being bugged and I am being threatened all the time.

Eastern Police need to be sorted out because this Maori Mafia aggression can be aligned to the aggression all people want to see and end to. I will go public again and again and again and Napier City Council and Napier Police will be mud and justifiably so.

Police actions are under the spotlight. Well this is over due when Police think they have no barriers and can act to protect council integrity and damage ratepayers and humiliate people and force them to move it's no compensation for the damage they have done to our home.

This is illegal and supported by police aggression and NASH as Minister for Police.

SSC you must do your job like your website promises. ANSWER MY EMAILS.

Please respond to my request for your assistance in the matter of human rights abuse where Napier Police hid the actions of John Harrison using Rickards house and a criminal held up there who entered into my house on his behalf to place bugs in my house.

Using their abilities to gain access to homes Napier Police came to the aid of Harrison through Napier City Council and broke into my home through ranch sliders to remove the bugs Harrison put in there.

I approached QC Colin Corruthers about the matter and the police got him to work for them on human rights in prisons so he couldn't act for me.

I approached the IPCA because no police here in Napier seemed to act lawfully and they were intimidating me and acting in a threatening way to try to shit me down.

Then they used FTAC through Nash and abused my human rights once again.

IPCA refused to acknowledge my email but there were signs that people were getting into trouble for their actions. I was on the same plane from WN to Napier and saw two men and a red haired woman who looked like plain clothes police.

Ever since the cops broke into my home I have been harassed bugged and attacked and monitored to humiliate me and take away my human rights.

Napier police have crossed the lines so many times that I believe they act like a gang and not people who uphold the law.

John Harrison should have gone to jail but his relationship with Napier city council stopped that. He is a mad man with power and money and political connections.

Something is really rotten in the city of Napier and IPCA are ensuring their actions remain at status quo. Too many people suffer under this corrupt atmosphere and they paint people as mad rather than deal with the rot at Napier City Council.

Napier Police and Napier City Council colluded in these unlawful actions and this spreads fear and mistrust when dealing with both these entities.

You must do something about it. Nash is a political pawn who has used FTAC to take away my human rights because he saved JHH from going to jail for breaking and entering.

Clint Rickards And Tania Eden (a mate of Tanya Wright - Ex cop and councillor) allowed their house to be used to access our home and he is also part of this cesspool of corruption.

IPCA KNOW ALL THIS AND WITHHELD ALL INFORMATION AND CONTINUED TO VICTIMISE ME TO PROTECT THE NAMES OF NAPIER POLICE AND NAPIER CITY COUNCIL.

One mad prick called JOHN HARRISON started all this because he thinks he is above the law.

Subject: CORRUPTION IN NAPIER CITY COUNCIL

JOHN HARRISON HAS PUSHED HARD THROUGH NASH AND NAPIER PPLICE TO TRY TO HAVE ME PUT IN JAIL.

DURING COVID 19 MENTAL HEALTH FROM HASTINGS HOSPITAL TRIED TO ENTER MY HOME. TOTAL LOCK DOWN AND THEY ARE THREATENING ME!!!!

This is not Nazi Germany.

John Harrison broke into my home 12 months ago and his actions were covered up by Napier Police and Nash.

Nash gave him immunity against going to jail. He should be in jail now as he has worked with Clint Rickards and Tania Eden (neighbours from hell) to commit further invasions of our home and take away all privacy.

John Harrison had a whole lot of men at his house watching me and when I heard them laugh at what seemed like a close proximity, i knew at that moment i was being bugged. That was 12 months ago.

Just before Xmas Tanya Eden was bugging me because I heard her talking about me and her plans she had for our house when she bought it off us. It was going to be a fire sale purchase when i have John Harrison across the road and Rickards and Eden next door to bring the value of our home down. Who would want that scum around you? She must have had the volume knob turned up loud to try to hear us and get a good recording. Her voice was loud all through the house. They are using our wife to bug us. Using our power to bug us.

YOU PEOPLE HAVE DONE NOTHING TO STOP JOHN HARRISON AND NASH US IN HIS CORRUPT CIRCLE OF POLICE SCUM WHICH GOES RIGHT TO THE COMMISSIONER.

NASH IS HIDING ALL CORRUPTION AND IS TRYING TO HAVE ME PUT AWAY SO JOHN HARRISON CAN CONTINUE BREAKING THE LAW AND IGNORING ALL EQC ISSUES AT HOSPITAL HILL SUBDIVISION, HOSPITAL HILL, NAPIER.

COUNCILLORS IN NAPIER CITY COUNCIL HAVE BEEN THREATENED INTO SILENCE RATHER THAN GET BULLIED AND BUGGED BY NAPIER POLICE AND HAVE ALL NORMALITY OF LIFE TAKEN AWAY.

IT IS ABOUT TIME SOMEONE STOPPED THIS MADNESS BY NASH AND JOHN HARRISON.

GOVT PUSHED THIS LAND INTO HOUSING AND TODD CANT BUILD ON IT. THAT SPEAKS VOLUMES. THERE IS A LOT WRONG WITH THAT SUBDIVISION AND NAPIER CITY COUNCIL HAS THAT EVIDENCE. GOVT BROUGHT JOHN HARRISON INTO THIS AS HE IS A CROOK AND A BULLY AND HE WILL DO ANYTHING TO ANYONE. NASH IS HIS GUARD DOG.

THESE PEOPLE HERE HAVE THREATENED ME AND BUGGED ME FOR 12 MONTHS AND MORE. NAPIER CITY COUNCIL IS A KAW UNTO ITSELF AND IGNORES EQC POLICIES SO IT CAN BUILD HOUSES BELOW THE WATER TABLE AND REFERBISH OLD BUIKDINGS INTO APARTMENTS WITH NO EQC CONSIDERATIONS AT ALL.

WE LIVE ON THE RING OF FIRE AND CHCH LESSONS SHOULD HAVE TAUGHT US THAT EQC POLICIES MUST BE FOLLOWED SO PEOPLE ARE KEPT SAFE. BUIKDING HOMES ON RICK WHICH FLUSHES WATER IN AND OUT OF IT IS NOT GOOD EQC POLICY AND NAPIER CITY COUNCIL HAS GONE TO EXTREME LENGTHS TO HIDE THE WATER.

THIS IS THE PRICE IF BUSINESS WITH JOHN HARRISON. HE OWNS NAPIER CITY COUNCIL. HE HAS THEM BY THE BALLS.

LABOUR GOVT IS DAMAGED BY THESE ASSOCIATIONS.

Please forward to the Police Commissioner as he needs to know what is happening here in EASTERN BRANCH OF POLICE MANY HUMAN RIGHTS LAWS HAVE BEEN VIOLATED.

ATTACKING SOMEONE WHO HAS NOT COMMITTED A CRIME WITH THE ONLY VIEW IF SHUTTING DOWN ALL INFORMATION ABOUT A DODGY SUBDIVISION STARTED BY GOVT US UNLAWFUL.

POLICE KNOW ALL ABOUT THE BREAK INS AS THEY WERE PARTY TO ONE OF THEM TO PROTECT HARRISON WHEN HE AND TANIA WRIGHT (COUNCILLOR AND EX COP LINKED TO RICKARDS) BROKE THE LAW AND ENTERED MY HOME TO BUG ME.

I AM NOT MENTAL. IPCA HAS ALL DETAILS BUT REFUSES TO RELEASE IT TO PROTECT THEIR OWN. THIS WHOLE THING HAS GONE TOO FAR. THEIR NEXT STEPS IS TO PUT ME IN A MENTAL FACILITY TO SHUT ME DOWN FOR A WHILE AND A ABUSE .ME. THANKS NASH YOU CRIMINAL!!!!

ABUSE OF POWER BY A MINISTER WHO LETS A CRIMINAL MATE GO FREE. THAT PERSON CONTINUES TO ATTACK ME BECAUSE I AM PROTECTING MY HOME FROM THE ACTIONS OF NAPIER CITY COUNCIL

Rogue water has always been the issue that no one wants to acknowledge and yet it has always been a feature of the Napier Hill's makeup ...especially Hospital Hill. 20 Guys Hill road was washed off its foundations due to a rogue stream being redirected....probably by repiling up above them.

Hospital Hill always had problems with water and land and building information about the Hospital building and the North Ridge Apartment buildings (also affected by water when they were built) has been withheld by NCC when Tower was completing the building report.

This is unconstitutional behaviour by a council and rich thugs invested in the subdivision are driving this behaviour.

WHEN IS SOMEONE GOING TO ACT WITHIN THE LAW. THIS IS CORRUPTION. YES MR LITTLE - CORRUPTION TO PROTECT COUNCILS INVESTMENT IN THE DEVELOPMENT OF BAD LAND WHICH IS SET UPON ROCK PRONE TO FRACTURE FROM YEARS OF WATER FLUSHING IN AND OUT OF THE HILL. THIS WAS THE MAIN CAUSE OF THE HOSPITALS WATER ISSUES.

WE HAVE HAD WATER REDIRECTED INTO OUR LAND BY NCC DEVELOPMENTS AND NOW THEY WANT TO DO IT AGAIN.

The thing you have no control over is LOCAL KNOWLEDGE. Your predecessor and John Harrison pulled the pumps to hide the water coming out of that subdivision. That is a criminal act. It was done immediately I emailed Wayne Jack to tell him there was water still pouring out. That level of water doesn't give away. It may subside with improved weather and less water pressure within the hill but it doesn't go away.

This Council has a reputation of human rights abuse and bullying and the home invasion represents a new level of scum in the Council that should not be there.

YOUR MATE NASH LET A CRIMINAL GO FREE AFTER HE ENTERED MY HOME AND PLACED BUGS AND I WILL NEVER STOP TELLING THAT STORY AND YOU CAN HACK EMAILS AND SHUT ALL MEANS OF COMMUNICATION DOWN BUT THE RESULT WILL BE THE SAME. YOU ABUSED ME IN MY HOME BY RECORDING ME AND RECORDING FOOTAGE. EVERY OTHER CITIZEN IN NAPIER WILL KNOW WHAT YOU DID.

YOU COMMITTED A HUMAN RIGHTS VIOLATION AGAINST ME AS A CITIZEN UNDER YOUR CARE IN YOUR POSITION AS A COUNCIL/COUNCILLOR AND YOU LET IT HAPPEN AND YOU HAVE LET THE ABUSE CONTINUE THAT MAKES THIS COUNCIL A CRIMINAL.

NASH NEEDS TO BE VERY CAREFUL BECAUSE HE HAS COMMITTED A CRIMINAL ACT IN HIS POSITION AS A MINISTER. HE HAS NO RIGHT TO BE A MINISTER OF ANYTHING LET ALONE POLICE. HE IS A CREEP..

HE HAS EX COPS DOING HIS BIDDING INSIDE COUNCIL AND YOU WOULD NEVER KNOW WHAT THEY ARE DOING. TANYA WRIGHT SHOULD NOT BE THERE AFTER ACTIONS AGAINST ME ON BEHALF OF JOHN HARRISON.

SHE IS MATES WITH TANIA EDEN AND THAT IS HOW THEY ACCESSED MY HOME. EVER SINCE RICKARDS AND EDEN BOUGHT THAT PLACE THERE HAS BEEN TROUBLE.

I HAVE HAD ENOUGH OF ALL THIS UNDERBELLY CRIMINAL ACTIVITY BY SCUM WHO HAVE TOO MUCH POWER AND YOUR ACTIONS SO FAR INCLUDE YOU IN THAT LIST.

YOU MAY HAVE EDGED WAYNE HACK OUT BUT YOU ARE STILL PUSHING BAD LAND AND YOUR LINKS WITH NASH SHOW THERE IS ONLY BAD THINGS HEADING FOR NAPIER.

YOUR COUNCIL BROKE INTO MY HOME AND NASH COVERED IT UP. HE WAS PART OF GOVERNANCE AT THE TIME SO IT IMPLICATES THE NAPIER CITY COUNCIL.

The OMBUDSMAN is so weak he let this situation unfold and escalate and allowed human rights abuses to occur.

Refusing to do your job does not set you free from criminal activity. You knew what these people are like and you let them commit offences against me. HOME INVASION IS A CRIMINAL OFFENCE AND MADE WORSE BY POLICE COVER UP NASH!!!

Ardern has vermin surrounding her in that caucus room. Not one of them is willing to stop this council from withholding information and when claims come in about rogue streams washing houses away like in Guys Hill Road those arseholes will be directly responsible...especially Nash and Mahuta.

You all know what this Council has done and what NASH DID TO ME WITH JOHN HARRISON AND TANYA WRIGHT AND EDEN AND RICKARDS. DODGY EX COPS IN COUNCIL ALLOWED CRIMINAL HOME INVASION AND BUGGING AND CAMERAS AND THIS WILL NEVER GO AWAY WHILE YOU REFUSE TO ACKNOWLEDGE AND DEAL WITH IT. I WILL NOT STOP@!!!!

MY HOME STILL MOVES AND CRACKS ARE WIDENING AND DESPITE WHAT THIS COUNCIL TRIES TO SPIN, WE ARE NOT DAMAGING OUR OWN HOME.

WATER FROM THE HILL HAS BEEN REDIRECTED INTO OUR LAND BY DODGY DEVELOPMENTS OF THE NORTH RIDGE APARTMENTS.

PEOPLE HAD WATER COMING INTO THEIR APARTMENTS BECAUSE THAT MASSIVE LINE OF APARTMENTS WAS BUILT WHERE WATER DRAINED.

ITS ALL ABOUT THE VIEW AND NO DUE DILIGENCE HAS RESULTED IN NO CONTROL OF WATER.

RICKARDS PLACE HAS NO PROPER RETAINING WALL AND THE WATER HAS COME THROUGH TO OUR LAND.

THIS COUNCIL HAS REVIEWED THIS AND SAID WE "POTENTIALLY" HAD A CASE BUT WE WERENT SUPPOSED TO HEAR THAT!!!

YET ANOTHER COVER UP. THAT TANYA WRIGHT DID WITH JOHN HARRISON AND WAYNE HACK CEO. HE GETS \$1,000,000.00 EXIT PACKAGE FOR COMMITTING CRIME! DALTON REALLY LOOKED AFTER HIS NAVY MATE FOR DEFENCE - HE WAS A BOOKKEEPER AND LITTLE MORE. ALL FOR THE HISTORY BOOKS AND THE NAVYS HELP IN THE 1931 EARTHQUAKE. WHAT A RIP OFF. WHAT WAS HIS SIN IN THE NAVY? YET ANOTHER COVER UP?

JOHN HARRISON HAS CAUSED A LOT OF DAMAGE IN HIS ASSOCIATION WITH THIS COUNCIL AND SHOULD BE REMOVED AND CRIMINAL CHARGES MADE AGAINST HIM.

I HAVE ASKED FOR \$5 000,000.00 payment for the criminal abuses against me and the damage to my home. Nash, Harrison, Wright, Eden, Rickards, Eastern Police have all played their part in these abuses and that does not include others who are supposed to be there to act as gatekeepers to Council abuse namely, MAHUTA, OMBUDSMAN, AUDIT OFFICE GREG SCHOLLYM.

ALL OF YOU KNEW WHAT HAS BEEN GOING ON AND YOU TURNED YOUR BACKS ASSUMING I WAS GOING TO GO AWAY. PEOPLE WITH MORAL FIBRE DONT GO AWAY MAHUTA. - YET ANOTHER CHILD KILLED IN FLAXMERE BECAUSE OF THE ABUSIVE CULTURE WE HAVE IN NZ!!!

YOU CANT MAKE THIS UP. THIS IS CRIME BY COUNCILLORS AND GOVERNANCE AND NO RESIDENT SHOULD HAVE TO DEAL WITH THIS KIND OF BULLYING.

THIS IS NOT OVER NASH. I TOLD ARDERN HOW YOU BEHAVED HERE WITH THIS COUNCIL AND SHE GAVE YOU THE MOST IMPORTANT PORTFOLIO SO YOU COULD ABUSE YOUR POWERS AND HIDE ALL CORRUPTION. FOR LITTLE TO SAY THERE IS NO CORRUPTION

KNOWING THAT NASH AND OTHERS HAVE ACTED OUTSIDE THE LAW TO PUSH BAD LAND IS CORRUPTION IN ITSELF.

I CANT BELIEVE OUR COUNTRY HAS SUCH A POOR BRAIN TRUST IN COUNCILS AND PARLUAMENT. YOU ARE NOT GODS. NO ONE COULD WORSHIP CRIMINALS AND OUR COUNTRY IS RUINED BECAUSE OF YOUR DEVIANT BEHAVIOUR. NATIONAL IS NO BETTER BUT PARTNERING UP WITH A CRIMINAL AND HIDING HIS HOME INVASION TAKES THE CAKE NASH.

PAY ME OUT. YOU HAVE RUINED EVERYTHING WE HAVE AND YOU HAVE ACTED ILLEGALLY. THAT SCUMBAG YOU PARTNERED UP WITH HAS COMMITTED THIS CRIME AND WILL CONTINUE TO DO SO BECAUSE UOU ALL LET HIM GET AWAY WITH HOME INVASION. HE HAS A HUGE INVESTMENT IN MANY BACKYARDS BUT CRIMINAL ACTIVITY NO MATTER HOW OLD YOU ARE HAS TO BE PAID FOR.

MAYBE HE PAID YOU ALL TO LOOK THE IOTHER WAY AND THEN HE STARTS THE SAME ABUSE ALL OVER AGAIN.

I WILL NOT STOP!!!!!!!!!!!!!!

The following newspaper article was around the same time I approached Tanya Wright at Nash's office. The council would not listen so I thought he might. If course I could never have known that she was Tania Edens best mate and she would cause a whole lot more trouble like colluding with John Harrison to get the person at Edens house to break into my home and place bugs. I am pretty sure the people at 32 saw the police break in but they refuse to get involved.

You know a whole lot more than you ever let on. I cant believe the filth that makes up governance these days. YOU SHOULD BE ASHAMED OF YOURSELF AND THAT SCUMBAG YOU SUPPORT. \$18.0M buys a lot if favours like the invasion of my home by police.

This will never end because you let it start.

I dare you to send police around to my home complaining about my emails like that scumbag Nash did. The same a/holes that broke into my house!!!!

Subject: MENTAL TORTURE BY NASH AND POLICE TO PROTECT A COUNCIL THUG WHO SHOULD BE IN JAIL is TERRORISM.

Torture (from Latin tortus: to twist, to torment) is the **act of** deliberately inflicting severe physical or psychological suffering on someone by another.

The prolonged attacks by Napier City Council and specific Councillors and Napier Police shows how out of control this government is as it aims to use Terrorism against citizens to stop freedom of speech disclosing the stupidity of Council and Central Government actions of pushing bad land into housing. Someone always pays dearly for dodgy decisions that have no due diligence supporting what they want to do.

1. Having my home broken into by John Harrison using HIS minime LIVING AT TANIA EDENS HOUSE NEXT DOOR (RICKARDS HOUSE), stole 3 sets of keys and put cyber bugs in my home. From then on JHH caused havoc. HE THOUGHT HE WAS CLEVER ANF ABOVE THE LAW BUT COUNCIL FOUND OUT.

2. Having my home broken into by rogue Police acting for Councillor Wright and Minister NASH AND EASTERN SECTOR POLICE was enough to make anyone panic and physically terrified. I knew that fat prick across the road had put bugs in but I couldnt conceive that police would act against me TO REMOVE THEM when I was the abused person.. thus was abuse by both council and NASH ALL AT THE SAME TIME.

3. Then what seemed like every cop off duty started harassing me and monitoring my every movement. I was in prison now. Havng police enter my property after dark is nothing short of bullying and thuggery by scum that dont deserve to hold their positions. They woke me up and wandered through my property to send a message.

Police placed their own bugs in my home and i believe they are still there. I have spent thousands on locks & security and security alarms and now I have to spend \$3,500 to get police cameras and bugs out...a sweep done by a firm in Auckland. WTF?

THIS IS NOTHING SHORT OF TERRORISM BY A DODGY GROUP OF COUNCIL PEOPLE WITH LINKS TO POLICE AND GOVERNMENT. BAD LAND PUSHERS. USERS OF THE PUBLIC PURSE. DESTRUCTION OF PEOPLES DREAMS, HOMES FAMILIES AND FUTURES. ITS ALL ABOUT MONEY AND DEVELOPERS BECOMING COUNCILS AND AVOIDING ALL DUE DILOGENCE TO PROTECT PEOPLE.

THIS WILL NOT GO AWAY SO YOU PEOPLE IN CABINET....MY STORY WILL GET OUT BECAUSE IT IS SO HORRIFYING FOR JOE NORMAL TO HAVE TO DEAL WITH....THAT MAKES IT FIT UNDER THE HEADING OF TORTURE. Human Rights Abuse.

JACINDA ARDERN, GRANT ROBERTSON, STUART NASH, N MAHUTA AND ALL YOU OTHER GROUP THINK MORONS: YOU CROSSED THE LINE. ITS TIME FOR YOU TO FACE UP TO

WHAT YOU DID TO ME AND WHAT YOU CONTINUE TO DO TO OTHERS..LIKE DUNEDIN CITY COUNCIL BUILDING HOUSES ON WETLAND.

ARE YOUR HOUSES DAMAGED BY WATER? NO. YOU PASS ALL THESE MATTERS TO NUMBER CRUNCHING IDIOTS WITH NO SOULS AND SEPARATE YOURSELVES FROM REALITY.

THIS IS NOT GOING TO END BECAUSE YOU ARE DOING DISPICABLE THINGS TO PEOPLE YOU WERE VOTED TO SERVE. WTF? INSURANCE FRAUD BY BUREAUCRATIC CRIMINALS. WIFI RAPE OF RESIDENTS TO RECOTD ALL CONVERSATIONS IN THE STREET. NOYHING IS OIT OF BOUNDS THANKS TO KEY AND NATIONAL AND LABOUR WHO SUPPORTED THIS. GOVT IS NOW THE YERRORIST WITH NO BOUNDARIES.

THE COUNTRY TOOK A BAD TURN GIVING THUGS LIKE YOU POWER TO DAMAGE PEOPLES LIVES. ESPECIALLY WHEN A FILTHY RICH THUG AND MATE OF NASHES WALKS FREE AFTER COMMITTING CRIMES AGAINST HIS NEIGHBOUR.

DALTON LET THAT CRIMINAL INTO COUNCIL AND PEOPLE HAVE PAID A HUGE PRICE.

COUNCILLOR TANIA WRIGHT EX COP IS ALSO MIXED UP IN THIS AND IT WAS CONFIRMED BY A COP I SPOKE TO. SHE IS HATED BY REAL POLICE WITH CAREERS TO LOSE.

EVERYONE IS IN THIS AND I HAVE HAD ENOUGH OF TAKING ALL THIS UNBRIDALLED ABUSE.

TIME THIS COUNCIL SORTED THIS OUT BECAUSE THE ALTERNATIVE WILL BE UNCERTAIN FOR EVERYONE. None of this is right.

My family in Australia are appalled at the abuse towards us by that rich thug who used to be a councillor and got kicked out because no business could be pit through as he refused to go with the flow. On the outside again he is using public money to feather his nest and his mental activities are nothing more than law breaking.

Politicians are not meant to break the law and use their position against law Biding people. You need to take control of this situation as that a/hole neighbour and criminal is going to do more damage.

I will not put up with it and a war is coming. No one breaks into my home and gets away with it...especially not John Harrison linked to council and certainly not Tania Wrights police buddies..Tania Wright is also an excop in council. She started all this bad blood with that prick Rickards.

This is never going to go away because YOUR PEOPLE ATTACKED US FOR SPEAKING OUT TO TRY TO PROTECT OIR HOME AGAINST DODGY LAND YOU ARE PUSHING WITH THAT FAT MENTAL JOHN HARRISON.

NASH AND NCC ARE USING HIM AS A BULLY TO PUSH IT THROUGH. NOT HAPPENING. ALL INSURANCE COMPANIES ARE AFFECTED BY YOUR DODGY DEALS BOTH HERE AND IN DUNEDIN.

WATER MANAGEMENT IS A FIGMENT OF THE IMAGINATION HERE IN NEW ZEALAND. YOU SELL OUR PURE WATER IN THE REGIONS SO FAT RICH PIGS ON AUCKLAND LIVE BETTER BY TAXING US MORE.

NO GOVT IS GOOD HERE. YOU ARE THE WORST WHEN YOU BREAK THE LAW NASH!!!! You are the worst and I could see that right from the time we moved to Napier. WELLINGTON CITY COUNCIL NEVER TREATED US LIKE THAT...NO RESIDENT EOULD STAND FOR IT. THUGS SHOULD NEBER HAVE MORE POWER THAN COUNCIL AND DALTON WAS THICK ENOUGH TO LET HIM INTO COUNCIL GOVERNANCE.

THIS IS NOT FINISHED. WE WANT COMPENSATION FOR ALL YOUR ACTIONS AGAINST US.

YOU RUINED OUR LIVES AND I WILL NOT GIVE UP UNTIL YOU SORT THIS SHIT OUT.

HOME INVASION OF NAPIER POLICE

ALL INFORMATION HAS BEEN RECORDED BY THE INDEPENDENT POLICE CONDUCT AUTHORITY.
(As there was Police involvement and follow up bullying by Police here in Napier, I had to approach the IPCA as I could not approach Napier Police and whenever I complained to Police, they treated me like I was a moron or a mental case)

Discussion Tabled to you both – Nash has had close involvement and has hindered the progression of any investigation into the HOME INVASION of our property.

This letter will be going to several news agencies so I suggest you start looking at this matter NOW.

If this does not get your attention and does not result in your action against Napier City Council or Napier Police (Eastern Sector of Police in New Zealand) it will go out by any means I can get it to air.

Numerous complaints have been made against John Harrison and his thug behaviour towards us at 30 Hospital Tce and no one takes action.

Our home has been bugged and we have been turned into prisoners in our own homes.

NASH is close to the pulse but I suspect you, Jacinda are being held at arms length and you don't care and don't want to know about the abuse levied by Napier Police and this Council thug who has money to support entry in to Parliament.

I strongly believe this man has paid for his freedom and this is why you do nothing.

No one communicates with us on the pushing of bad land by this Council. Our home is under attack by this Council through its development of North Ridge Apartments and the redirection of Water into the land supporting three homes. JOHN HARRISON has a financial stake in this and does not want anyone to know what Council did.

JOHN HARRISON via William Dalton's friendship (previous Mayor of 30 years) got into the financial books of Napier City Council. When you play with the devil you get burnt. No it is JOHN HARRISON who literally runs NCC through its Governance. Too many dodgy things have been done whilst he has had hold of the reigns. ENTERING MY HOME WAS ONE OF THEM.

Wellington City Council would never act like this. Napier City Council is run by criminals – big fish small pond mentality. Dodgy people thinking they can do anything to anybody.

Engaging in terrorism is one of these actions. Threats and heavy monitoring has been occurring for a long time now. I want compensation for this gross abuse of power to ruin our home life. Especially when that fat rich thug lives right across the road from me and makes it his mission every day to be a terrorist on behalf of Napier City Council and Napier Police. HE BROKE INTO MY HOUSE USING THE PERSON LIVING AT RICKARDS HOUSE AT THE TIME.....RICKARDS PLAYED A PART IN THIS. VERY DODGY ASSOCIATIONS!!!

THIS ABUSE HAS TO END. IT WONT END WELL IF YOU DO NOT TAKE THIS SITUATION IN HAND. THAT RICH SCUM BAG WILL DRIVE EVERYONE INTO THE GROUND IF HE DOES NOT GET WHAT HE WANTS AND YOU KNOW IT.

WE DO NOT LIVE IN AMERICA UNDER TRUMP. You may have sold your souls to that vile regime through Defence contacts but you have no right to act unlawfully against residents and involve Police to shut people down when their homes are being damaged due to actions by Council.

What Council is doing is FRAUD against Insurance companies and you should bare that in mind before any more Councils open up land that is unsuitable to housing. Pressures on housing should not mean dodgy land is opened up without due diligence. EQC is another department closing up on residents after so many applications for help and yet Councils are creating dodgy subdivisions which will be EQC matters in the short and long term.

This Council has a history of being a bully and pushing subdivisions that should not be established. LOOK AT THE COURT CASE HISTORY AGAINST THEM!!!!!!

The Police and Council thought it was smart of them to threaten me with FTAC. Yet another reason for me to keep going on this quest to see you do the right thing.

CHURCHILL was quoted:

When you are walking through HELL the only thing you can do is keep walking!!

So far you have made every day HELL – ever since JOHN HARRISON MOVED IN ACROSS THE ROAD.

This Council – ESPECIALLY ITS NEW MAYOR – needs to look at what it is doing and ask itself.....is the damage to its reputation worth doing what it is currently doing to the residents at 30 Hospital Tce? JOHN HARRISON does not care – he is nearly dead.

I believe both situations have been swept under the carpet and I am faced with continual bugging of my home as you try to shut this situation down.

No one should be invading citizens homes whether it be police or council or ministers of government. It is a huge stretch to prove what you are doing is legal.

You are attacking me inside my home using electronic devices so you can see me physically and make audible comments. This has been going on for months.

Dont assume people are stupid and that you will continue to get away with this horrendous abuse and blatant law breaking. The following legal document eludes to home invasion.

ATTN NCC Senior Management; NCC Governance

This home has been here since 1910, well before the earthquake of 1931 and is still standing post renovation and over engineering. This house was built on solid rock and built to last.

Along comes rich thugs from NCC and they decide to mess with the natural environment and ignore water within the hill and redirect water into our land.

NCC refused to acknowledge water being pumped from the land. They intend to continue their new subdivision which is porous rock and will fracture when drilled into. This is a serious EQC issue for the whole of Napier Hill and they refuse to acknowledge their responsibility to manage water.

So far I have had my home bugged and illegally entered. Police have acted illegally under Nashs approval and perpetrators of crime allowed to go free.

Tower is acting for us but Council refuses to give information citing Privacy issues.

You have all played a part in ruining my home and now I have a rich thug (that you all know and fear) across the road linked to council who acts like a terrorist and has no boundaries. He buys favours to keep himself free from a jail term long over due. From the time he built his home across from us we have had our home entered, numerous keys stolen, been monitored, home has been bugged, we have been terrorised by actions taken by his associates....all so he can maintain control of a dodgy investment. This investment is the Hospital Hill Subdivision.

Things can and will get worse and more out of hand purely because police are in the wrong as is the Council and Government by pushing bad land.

You in government set this ball rolling and you are doing this all over New Zealand.

A classic example is land in Dunedin which regularly floods being turned into housing. The residents are fighting council about this too. ARE YOU BUGGING THEM ALSO? ARE YOU TERRORIZING THEM??? NO! THAT SCUM BAG ACROSS THE ROAD IS NOT INVOLVED....NOT YET.

You cant manage that thug and you have created a mafia style management within NCC to terrorise and stop all freedom of speech.

Buy me out and remove me from your NCC dodgy development. This will not be cheap because you all FCKD up and you have a lot to lose. Invasion of peoples homes and bugging is no longer imaginary. SHIT JUST GOT REAL and one mad mans arrogance has and will continue to cost you big.

I have been honest unlike most of you who refuse to do your jobs and try to make me look like a mad person or a criminal..

Nash. You had better think again before you try to attack me in my gym by trying to make me look like a thief. I very much doubt HE acts alone.

I am waiting!

If you want Tower to stop its investigations, pay me out to remove us from your dodgy dealings. Heads will roll when this all comes out.

Your choice. You haven't been fair to me so why should I be fair to you? You reap what you sow.

Terrorism by a Council is a new concept that people will be very interested in. That will affect all management decisions in the future. Police will be viewed as henchmen instead of community's caretakers. Constitutional Law states law of governance (including councils as govt representatives) should be held separate to criminal law (managed by Police) but you have allowed police to act as warlords against residents on behalf of Council. This is illegal. Terrorism by a Council and its associates and partners in developments is illegal. It is about time Andrew Little and Stuart Nash had a long talk about the law breaking allowed by his mates here in Napier City Council. At least two EXCOPS are involved in this behaviour.

No one likes a thug and Nash supports this thug by saving him from a jail term after getting his minions held up in the Eden/Rickards house next door to gain access to my home. I have had enough of all the abuse handed out when we are not the criminals causing damage to the environment.

The houses on that site will not be going to those who most need it. This is a big fat tip off to those who live below the summit and anyone who puts poles down will suffer with water rising in extended periods of bad weather.

They built the North Ridge Apartments knowing all the water issues and now water is redirected into other peoes homes. The NCC is hiding the history of water issues when that complex was first built. WATER HAS ITS OWN MASTER.

Water Management was supposed to be high on the "must dos" when it became clear that this was the next gold in our society.

You created a deal to sell water to China for nothing and Havelock North people have their water ruined and thousands of people get sick...that us Rule of law in Hawkes Bay.

You are still selling our water in Hawkes Bay and I can guarantee that rich thug across the road has his filthy hands in that too.

Justice is broken in New Zealand. When government breaks the law by non DISCLOSURE of water issues in land it sets free after decades of its ownership ...govt is the rich thug. It cherry picks the laws it wants to commit to.

Non disclosure is against the law Andrew Little, the ombudsman and audit office. Stop ignoring your responsibilities. Stop letting Nash use his power as police to keep a rich thug out of jail. The independant Police Conduct authority has all information and Nash threatened me with FTAC and that makes his a terrorist. His mates broke into my home on instruction from Napier City Council.

The law is not there to protect the people the govt is terrorising. NCC is the govt servant and is supposed to act inside the law and if its rich thug associates cant act legally then they should not be involved in any developments.

You have all played a part in ruining my home and now I have a rich thug across the road linked to council who acts like a terrorist and has no boundaries. He buys favours to keep himself free.

Things can and will get worse and more out of hand purely because police are in the wrong as is the Council and Government by pushing bad land.

You cant manage that thug and you have created a mafia style management within NCC to terrorise and stop all freedom of speech.

Buy me out and remove me from your NCC dodgy development. This will not be cheap because you all FCKD up and you have a lot to lose. Invasion of peoples homes and bugging is no longer imaginary. SHIT JUST GOT REAL and one mad mans arrogance has cost you big.

I have been honest unlike most of you who refuse to do your jobs and try to make me look like a mad person or a criminal..
Nash.

I am waiting!

If you want Tower to stop its investigations, pay me out to remove us from your dodgy dealings. Heads will roll when this all comes out.

Your choice. You haven't been fair to me so why should I be fair to you? You reap what you sow.

Terrorism by a Council is a new concept that people will be interested in. That will affect all management decisions in the future. Police will be viewed as henchmen instead of community's caretakers.

No one likes a thug.

Make up your mind.

Subject: Conflict of interest by Governance members and close associates

In view of the behaviour of Certain Governance members (and people who tout themselves as holding that position- including Councillors) there is a definite conflict of interest where those involved in council are also investors in the Hospital Hill Subdivision and that is a clear CONFLICT OF INTEREST.

That explains the aggressive attitudes and the unwillingness to talk to anyone who has issues with Napier City Council operations at Hospital Hill Subdivision.

This Council has already redirected quite enough water into my land by building North Ridge Apartments across a drainage zone and now I will also have all the drilling causing fractures in the rock and ultimately more water. Pity the land is too steep for a pool. I'd never have to fill it!!

Your activities are illegal and John Harrison may have enough money to make light if this matter but many others do not.

It seems that Council flippancy and arrogance goes as far as giving TOWER INSURANCE the one finger in the air to stall for time to push these sections out to market because no one is that interested in stopping it. Who do you work for? Rich thugs in Council or the people of New Zealand? Clearly you do not care about what is legal activity and what is not. Hiding evidence and refusing to disclose water issues is still illegal last time I reviewed the Act.

I know who will vote you out when all this gets uncovered and people start putting a class action against this council for acting illegally and everyone realizes how far up this went to Government for help and you all turned their backs on a massive environmental issue. Greens dont care about environment anymore unless it is marijuana related.

TOWER WILL UP ITS RATES AND I SUPPORT THEIR ACTIONS WHEN THIS GOVERNMENT IS OPENLY RIPPING THE PUBLIC OFF. Getting insurance for these sections will be problematicTOWER INSURANCE HAS RIGHTS AS DO ALL OTHER INSURANCE COMPANIES.

Duty of care has been lost under Labour and National. You all played your role in feeding the rich so they support your election and now it's time to pay the piper at the expense of everyone else.

I have tried reporting Napier City Council to the Serious Fraud Office but NASH is at the top of that. It works well when you are trying to take an old Maori guy down but when the tables are turned and COUNCIL IS ACTING FRAUDULENTLY TGE SYSTEM DOES WIRK TO STOP THEM.

THIS IS A VERY DODGY GOVERNMENT AND YOUR ACTIONS SAY THAT COUNCILS CAN COMMIT CRIME.

NASH IS STOPPING ANY SERIOUS FRAUD ACTION AGAIBST NAPIER CITY COUNCIL.

IF THE SFO WAS DRIVING THIS THEY WOULD MAKE SURE ALL THE BOXES WERE TICKED AND PEOPLE WOULD BE KICKED OUT OF THIS COUNCIL FOR FRAUD ON BEHALF OF A GOVERNMENT.

Subject: Illegal activity by a council

Napier City Council is acting illegally by selling land which has water issues and NOT DISCLOSING IT. WAKE UP AND SMELL THE URANIUM COMING FROM THIS COUNCIL AND GOVT.

This land was forced into the housing market by Government. THIS IS A FRAGILE ECOSYSTEM THEY WANT TO RUIN FOR THEIR BANK BALANCE. IT HAS GONE THROUGH GOVT TO COUNCIL TO TODD CORP TO A NEW DEVELOPER. ALL LEADS TO A CRIMINAL ACTION.

Every insurance company in New Zealand should be focusing on this situation and using it as a test case against a government which writes laws but doesnot comply with them.

Napier city council shows no duty of care and had engaged in illegal activity attacking me and hacking my phone lines.

POLICE TOLD ME MY PHONE HAS BEEN BUGGED FOR TWO YEARS. WHY IS THAT NASH????

NO FREEDOM OF SPEECH - JUST A COUNCIL WHO ACTS ILLEGALLY AGAINST ME AND MY INSURANCE COMPANY TOWER!!!

Bullies in council and police have jointly acted to take my rights to live WITHOUT BEING BUGGED AND NASH REPORTS ME TO THE FTAC. APPARENTLY HE DOESNT LIKE ME TELLING THE TRUTH ABOUT HIS EX COP BUDDIES IR HIS RICH MATE WHO STEALS KEYS TO INVAD E MY HOME. IT HAS BEEN A NIGHTMARE EVER SINCE. WHERE DOES THE FOOTAGE GO NASH???

I HAVE HAD ENOUGH OF THE ILLEGAL ACTIVITY HERE IN NAPIER. ESPECIALLY WHEN I HAVE BEEN TARGETED IN SUCH AN ABUSIVE WAY. WAYNE JACK IS ONE OF THE RUDEST UNPROFESSIONAL PEOPLE I HAVE EVER ENCOUNTERED.

WELLINGTON CITY COUNCIL DIDNT BEHAVE LIKE THIS AND THEY HAVE THE SAME TYPE OF WATER ISSUES. THERE WAS OPEN AND HONEST COMMUNICATION THERE AND THEY SORTED WSTER ISSUES OUT. THEY TREAT WATER MANAGEMENT WITH THE IMPORTANCE IT SHOULD HAVE. THEY DONT LET THE HOUSE ABOVE YOU POUR STORMWATER INTO YOUR PROPERTY. A VERY COMMON FEATURE ON NAPIER HILL.

RICH THUGS BUYING THEIR FREEDOM IS HOW BUSINESS IS DONE HERE. INVADING PEOPLES HOMES IS HOW BUSINESS IS DONE HERE. NO WARRANTS....JUST BREAK IN AND THEN HARRASS THAT PERSON CONTINUOUSLY TO SHUT THEM UP..WELL THAT WORKED...NOT...JUST LIKE FTAC.

STATUTORY MANAGEMENT WOULD BRING SEPARATION OF POWERS AND HUMAN RIGHTS RESTORED TO RATEPAYERS. CONSTITUTIONAL RIGHTS IGNORED AND IDIOTS PUT IN CHARGE WHO DO NOT HAVE THE TECHNICAL SKILLS TO DO A GOOD JOB. THEY SACKED THEM AND BRING THEM IN AS CONSULTANTS....BUT NOT UNBIASED.

THIS COUNCIL HAS NO TRANSPARENCY AND WILL NOT TALK TO PEOPLE UNLESS IT IS THROUGH A LAWYER SO ITS ABOUT TIME THEY GOT AUDITED IN RELATION TO THEIR UNDEMOCRATIC BUSINESS PRACTICES AND HEAVY HANDED ATTITUDE TOWARDS THOSE THEY DIRECTLY AFFECT BY THEIR DODGY DEVELOPMENTS DUE TO NO DUE DILIGENCE COMPLETED.

NO DUE DILIGENCE BECAUSE THEY DONT CARE ABOUT PEOPLE. THEY ONLY CARE ABOUT SELLING ON THEIR PROBLEMS TO HOMEOWNERS AND INSURANCE COMPANIES PAYING FOR COUNCILS ILLEGAL BEHAVIOUR.

HOSPITAL HILL HAS EARTHQUAKE ISSUES BECAUSE OF THE LEVEL OF WATER CONSTANTLY FLUSHING UP INTO IT. DRILL INTO THIS SOFT SANDSTONE AND YOU FRACTURE IT. EVERYONE KNOWS THERE ARE MAJOR WATER ISSUES ON NAPIER HILL. IT IS NO SECRET SO WHAT IS THE DEAL HERE???

THEY ARE REFUSING TO ACKNOWLEDGE AND DISCLOSE WATER ISSUES WHICH ARE CRITICAL TO ALL HOMEOWNERS IN THE AREA AND THOSE PROPOSED HOUSES. EVERY HOUSE WILL HAVE WET FEET AND IT IS NCCS FAULT.

STOP LYING AND STOP THE SUBDIVISION IF YOU CANT FIX THE WATER ISSUES WHICH NAPIER HOSPITAL HAD TO DEAL WITH FOR DECADES.

YOU DONT PASS ON YOUR PROBLEMS WITHOUT FULL DISCLOSURE- THAT IS THE LAW. THEY ALSO APPLY TO LOCAL AUTHORITIES. ITS NOT A CASE OF .. ONE LAW FOR US AND ANOTHER FOR COUNCIL. YOU CANT PASS ON YOUR WET DAMAGED LAND TO INNOCENT PEOPLE. NO ONE SHOULD HAVE TO GO TO COURT TO STOP THIS. THIS SHOULD NOT BE YET ANOTHER LEGAL BATTLE FORCED ON THE COMMUNITY BECAUSE THEY REFUSE TO ACT IN ACCORDANCE WITH THE LAW.

GRANT ROBERTSON...THIS IS ALL YOURS WHEN NASH AND HIS LOSER BUDDIES IN NAPIER CITY COUNCIL WASH HOMES OFF THEIR LAND. 20 GUYS HILL ROAD IS AT LEAST ONE EXAMPLE OF A STREAM BEING REDIRECTED AND CAUSING HAVOC. VERY CLOSE TO HOSPITAL HILL SUBDIVISION.

Subject: MISS-USE OF THE PRIVACY ACT BY NAPIER CITY COUNCIL. POLICE CONTINUE TO
ATTACK A RESIDENT ON BEHALF OF COUNCIL...BUGGING RESIDENTS GOVTS
WORK!!!

The Privacy Act has been used to stop information being given to those that need it and it is withheld so that Napier City Council do not have to answer for their actions. Most recently, it has happen 3 times!

When they have something to hide it is met by the Privacy Act. This Management team and Governance have a lot to hide as they have given preference to one resident over another because the underlying issue is Water and they do not want to acknowledge it or take responsibility for it. No Due Diligence has caused all the water problems on Napier Hill.

No concerns are given about protecting life. Thus is not about privacy. Thus is about Napier City Council wielding its power at any cost and sending a message to the wider public that if you mess with us you will get a pounding by police and us. I mean POLICE!!! I have proof of the thuggery towards me and the IPCA needs to start dealing with it and dealing with Nash's actions too. Just because he is an MP does not make him GOD!! Just because people become Councillors does not make them GOD.

These people are there to do a duty to the public as PUBLIC SERVANTS.

Council will not allow me to have a thorough review done of a deck Clint Rickards wants to build. Privacy stops me from getting a proper review of the land on his property where the water is coming through. Council will not accept that the huge area of the roadside wall not retained allows water to move through it and to go deep so as to enter my property at a low level and undermine our land and property in total.

Council will not accept that THEIR ACTIONS have caused the erosion of land on both properties with particular focus to ours. The development of North Ridge Apartments drove water above us PAST NRA and into our land. 26 Hospital Tce has a full retaining wall and their property is not affected until you get to the lower sections but their retaining is suffering because they told us so. BOTH 28 & 30 Hospital Tce have moved twice and possibly more when we have not been there. There is a growing gap between our house

and the existing concrete pad behind our house on the RIGHT side as this is the side which is most affected which is the boundary with Rickards. Small changes but changes all the same. There are cracks and gaps opening up all over our home and if wasn't for the fact our home is well built it would not survive this.

With all the bugging – I heard some butthole woman say: “the house is moving” ...after I walked from the side of the bed to the bedroom door. Every footprint was on moving boards. THESE POLICE/COUNCIL KNOW WHAT IS HAPPENING AND THEY DON'T CARE. It is all about protecting their officers who acted unlawfully against us and stopped that RICH THUG across the road from going to JAIL.

Council won't look at the impact of his 30 foot high car deck positioned so close to my boundary. My land is eroding (due to water entering our land) underneath our foundations and around the rock face our car deck is attached to.

Bearing in mind that they are drilling into weakened rock, given the existing water problems (which they do not want to acknowledge) this should mean that until the water stops entering our properties from further up, NO DECK IS BUILT.

Everyone has ignored the whole issue of an ex cop with a checkered past (turned lawyer) being given the right to cause a massive amount of damage to my property BY NASH AND COUNCIL, (COPS Rickards and EDEN get first preference!!) and the Privacy Act being used by this dodgy council to refuse to look at where the water is coming from. Right from the beginning when I raised the water, the lack of retaining, NO STORM WATER ACCESS for our three houses 26,28 & 30 – NOTHING has been done except for WAYNE JACK pulling pumps to allow MORE water to ultimately enter our land.

THAT DECK IS GOING TO BE THE END OF MY LAND AND COUNCIL WILL LAUGH AS WILL POLICE. AND POLICE WILL CONTINUE TO BUG ME BECAUSE....Im a terrorist???????????????

BUT, then Rickards place is next on the list to be damaged beyond repair. This water, now redirected into our land by the North Ridge Apartments cant be stopped. We are screwed no matter how this ends because DODGY COUNCIL DID NOT DO DUE DILIGENCE AND ALLOWED A DEVELOPER TO BUILD RIGHT ACROSS A DRAINAGE ZONE...REDIRECTING WATER COMING FROM THE APEX THAT COUNCIL WILL NOT DISCLOSE. That water has always been there and they chose not to disclose it because they are criminals acting for Government. Where did these dodgy people come from?

THIS IS FRAUD BY A COUNCIL (AGAINST ALL RESIDENTS AND THEIR INSURANCE COMPANIES). A COUNCIL WHO HIDES ALL INFORMATION AND REFUSES TO ANSWER QUESTIONS UNDER THE OIA ABOUT THEIR ACTIONS, THE LAND GOVERNMENT HAS RELEASED FOR DEVELOPMENT AND THE WATER ISSUES BENEATHE THE HOSPITAL. Not only that, but they acted in unison with Police to protect a rich thug connected to Governance by breaking I to my home to remove his bugs...and I have been bugged and monitored ever since. NO LAW..NO LIFE.

This has ALWAYS BEEN ABOUT WATER.

Someone has to see how wrong all this is and how badly this Council has acted. Key people for exit: Tanya Wright / Wayne Jack / Strategy Management who bend whichever way the water flows / NASH WHO IS IMMORAL and stupid / Police who acted against me and bugged my home / and the rich thug who everyone knows should be prosecuted and sent to jail.

No one wants to step outside their comfort zones unless it is through the protection of a lawyer.

THERE IS CORRUPTION AND FRAUD WRITTEN INTO EVERY ACT TAKEN AGAINST ME AND NOW OUR INSURANCE COMPANY HAS BEEN BLOCKED FROM GETTING INFORMATION THIS COUNCIL DEMANDED WE OBTAIN FOR AN ENGINEERING REPORT TO PROVE ALL ISSUES. THIS MUST BE BREAKING THE KAW AND THE OMBUDSMAN AND AUDIT OFFICE MUST TAKE ACTION.

TOO MANY PEOPLE ARE GOING TO SUFFER AND THAT SHOULD BE ENOUGH FOR INSURANCE FRAUD, AUDIT OFFICE AND THE OMBUDSMAN TO SEEK FULL DETAILS OF THE WHOLE AREA INCLUDING North Ridge Apartments, Napier Hospital Land and all water issues, and this consent sought by Rickards for his huge deck right on my boundary line blocking all light on our property.

This council is going to extreme lengths to ensure our house and land is damaged and no one gets the information about it. Individuals cannot withhold information which will caused damage to others yet council does it all the time.

I HAVE BEEN **VIOLATED FOR LONG ENOUGH BY POLICE, EX COPS and DODGY RICH THUGS** WHO ARE SILENT PARTNERS TO GOVERNANCE AND SUCKING ON OUR PUBLIC MONEY.

NO ONE DESERVES THIS. NO ONE EVER THOUGHT THAT COUNCILS WOULD ACT LIKE THIS.

This council will dream up all sorts of issues which they want to use as a smoke screen to avoid focus on what they have done.

30 YEARS OF DALTONISM HAS RUINED NAPIER AND THE VERMIN FROM NAVY AND POLICE ARE IN POWER. NO DUE DILIGENCE, NO TRANSPARENCY. NEW MAYOR KIRSTEN WISE AND THUGS DRIVING THE COUNCIL FREIGHT TRAIN.

IPCA, AUDIT OFFICE, OMBUDSMAN...None of you seem to be willing to stop this and you will be the first targets in my article.

This will be the next WHITE PAPER.

Police can bug me all they like...**this will happen if you people refuse to do your jobs.** This Council is off the reservation. Call ME: MAD? F U >>>>>>>>JHH WIFI RAPE WIFI RAPE !!!!!!!

This kind of leadership will filter throughout the whole of NZ and all citizens will be exposed to threats and no insurance coy will provide cover unless it costs a lot. ALL INSURANCE COMPANIES SHOULD TAKE HEED THAT THIS COUNCIL BEHAVIOUR FORCING BAD LAND IS JUST THE START UNDER LABOUR AND NATIONAL.

NO ONE SEEMS TO CARE ABOUT LEGALITIES ANYMORE

Why didn't Governance or their boffins come up with this information before? If your engineer is worth his salt he will investigate their claims and not just accept their lies. PROOF – just like they **withhold** from us.

There is something wrong with Tania Eden's (Steve Rickard) land too and both properties have moved again since she has owned it.

There is subsidence on their property and cracks in concrete pads front and back.

No full road retaining – allowing water to come through from the roadside. The water comes from further up the hill but NO ONE WANTS TO TALK ABOUT THAT!!

TOWER never looked that much at the issues on the boundary land.

GOVERNANCE prefers to be scumbags and bug me and cause further damage to my home by allowing Tania Eden to build a 30 foot car deck and elevator on damaged land.

The water has turned some of the stone bed to cottage cheese on the boundary of our two properties.....**What will happen when they start drilling for piles???** No one cares. Just push through a consent because he is mates with Nash and Tanya Wright.

No due diligence. Why have they put us through such sufferance? They are unconscionable bullies and that old prick across the road is involved as a silent partner in Governance who still gets to cyber bug me using his minions at Rickards house.

This whole thing has been terrifying and soul destroying. I have come face to face with the worst scum of society. These people make the Mongrel Mob seem like angels. I would never have anything to do with this kind of vermin least of all that voyeuristic old fool. He's the mad one. Too much money so he can buy himself out of situations he has caused.

Your mate continues his dirty work at Hospital Tce. He escapes jail for breaking to my home and bugging my home (using his boffins so he never gets these dirty deeds coming back to him directly). Others can take the fall like last time.

He is doing it again..not that you G.A.S

I have reported it to the IPCA so then you can report me to the FTAC.....same bandwidth used for bugging as our radio so I heard them.

Having police break into my home to protect him is pretty dodgy for anyone involved in police. No law - no life.

So long as your mate gets his car deck...that's all that matters.
