Dear Sean

***Request for information***

Thank you for your Official Information Act 1982 (OIA) request dated 21 July 2022, in which you asked for the following information:

*I am seeking a list of offences that are more Specific than the 16 base categories defined by the ANZSOC More specifically I am seeking how these offences are classified internally within police information systems and would also like to request a full list of these offences preferably in a machine readable format(CSV/Excel)*

In response to your request, please refer to the [1234.0 - Australian and New Zealand Standard Offence Classification \(ANZSOC\), 2011](#) link page that provides the categories and descriptions within ANZSOC. We have also attached the current list of offence codes/descriptions and the corresponding ANZSOC Group they are mapped to.

If you have any questions, please feel free to contact me via [data@police.govt.nz](mailto:data@police.govt.nz).

I trust this helps.

Yours sincerely
