Transfer of Information Request

I refer to your official information request dated 22 August 2022, as follows:

Please forward me all communications between the Hutt City Council and Greater Wellington Regional Council concerning converting carparks outside Hell Pizza and Subway into a bus stop. Please also forward all safety assessments of the existing Jackson Street bus stop that is being relocated to 340 Jackson Street.

Given that no communication about this new bus stop was communicated to the business owners, this matter is urgent so I would appreciate prompt release of this information.

Your information request has been transferred to Metlink pursuant to section 12(b) of the LGOIMA, as it is more closely aligned to this agency's responsibilities.

Metlink has 20 working days to complete your request, unless an extension is made to this time.

Nāku noa, nā
