### Digital Identity Licensing

Assess the impact of the Digital Identity work, being led out of DIA, on driver licences.

**Current stage:** Finalisation of policy and funding bid to establish cross-government Digital Identity Trust Framework (DITF) services.

**Next steps:** Assess impact on Waka Kotahi, Land Transport (Driver Licensing) Rule 1999, and Land Transport Act 1998.

**Indicative completion:** DITF Bill mid-2022. Supporting regulatory regime (rules/regulations) and new digital identity services in place by end of 2022.
