Hey Brad,

Please see the below final signage, road marking and civil for construction plans for your approval. These have been reviewed and approved by Dennis, Stephen and parking services.

Botanic Gardens [5.0 For Construction Design](#)

Newtown to city [4.0 For Construction](#)

- Note these have the 24/7 bus lane signs on Kent and Cambridge Terrace these will not be installed until after the TR for this if approved in the new year. Stephen will advise contractors of this.
- We are also installing a wayfinding sign for the Courtney place diagonal crossing – This is sitting with creative and brand so not showing in these plans.

I will send through the signal changes separately for sign off when all approved by Tim,

Thanks,

Renee Corlett
