Dear Rhys

Extending the time to respond to your request made under the Official Information Act 1982

Thank you for your email of 13 October 2022 requesting the following information under the Official Information Act 1982 (the Act):

Could you please tell me the percentage of roading maintained by NZTA that is currently over the design life duration for the seal grade and traffic volumes that apply to that section of road.

Waka Kotahi NZ Transport Agency is extending the 20 working days available to us to respond to your request, as allowed for under section 15A of the Act. We need five more working days to respond to your request and will send you our response on or before 18 November 2022.

We are extending the deadline as the consultations necessary to make a decision on your request are such that a thorough response cannot reasonably be made within the 20-working-day limit.

Under section 28 of the Act, you have the right to ask the Ombudsman to review my decision to extend the time we will take to respond to your request. You can find the contact details for the Ombudsman at: www.ombudsman.parliament.nz

If you would like to discuss this extension, please email official.correspondence@nzta.govt.nz.

Yours sincerely
