Dear Connor

Information Request

I refer to your Official Information Act 1982 (OIA) request of 17 October 2022 in which you requested the following information:

- 1. All Vehicles used and the quantity in Christchurch*
- 2. I would like it to be broken down by department, e.g Highway, PST, AOS etc. The Vehicle used and the quantity of them.*
- 3. I would like every single car and its brand and model and its police department.*

The information contained in the table is for the whole of the Canterbury District where Christchurch is located. Vehicles are often moved around within the district to meet deployment demand. Due to this fluidity, it is not possible to provide a breakdown of vehicle deployments to city level. That breakdown is therefore refused under section 18(g) of the OIA, as the information is not held.

The information was sourced from the Master Fleet Summary, a document that changes daily. This can be for several reasons, such as a vehicle reaching the end of its service and being decommissioned, replaced by a new vehicle, or transferred to a different working group.

The data contained in the table above is an excerpt from the Master Fleet Summary on 19 October 2022, so any changes made after that date will not be reflected.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Yours sincerely

Inspector Brian Yanko
