Dear Sam

I refer to your information request dated 22 October 2022 made under the Official Information Act 1982. You requested:

"I was hoping to find out the number of students that gained entrance to the 2022 MB ChB cohort via the HSFY category who also received an Entrance Scholarship to the University of Otago."

Please see below our response to your request.

The number of students who entered the 2022 MB ChB programme via the HSFY category, who had also received an Entrance Scholarship to the University of Otago

204 students entered the 2022 Bachelor of Medicine and Bachelor of Surgery (MB ChB) programme via the Health Sciences First Year (HSFY) category. Of those students, 167 received an Entrance Scholarship. Further information on the Undergraduate Entrance Scholarships offered by the University of Otago can be found on the [University website](#).

I trust that this information will be helpful.

Yours sincerely
