Kia ora Jayne,

Please see attached students who asked for reconsideration. As discussed, you can use the email sent by Josie to communicate the reconsiderations with students and please do not issue these until close of business today as I am still reviewing them.

Also could you please issue a notice on Blackboard that the reconsideration process for Test 2 is now complete.

Many thanks,

**Subject:** LAWS 211 reconsiderations

Kia ora Hai-Yuean,

I am just following up on an inquiry from a student who would like to know when their reconsideration request will be actioned.

They advise that the request was made in late September / early October, but they have not yet been advised of the result.

Could you please let me know when you plan to have responded to the reconsideration request by, so that I can advise the student?

Nga mihi,

Mark
