Kia ora Jon

**The information you requested – CAS-704438-Y1P7D4**

Thank you for your request for information dated 21 March 2023 about the maintenance schedule of the shared paths that sit alongside motorways, specifically beside SH20 between Queenstown Road and Orpheus Drive.

**I am keen to understand who is responsible for maintaining both this shared path, and others such as the one alongside SH16 between Pt Chev and Avondale.**

**I am also asking for what level of maintenance is required as part of this contract - how often should the path be swept, when is vegetation cut back, etc.**

AT are responsible for the maintenance of the shared path surface, sweeping (on an as required basis only), line marking, signage, lighting and stormwater management (above ground).

Auckland Council are responsible for vegetation management, garden maintenance, graffiti removal and the removal of litter other than that from the shared path surface.

Waka Kotahi are responsible for maintaining the fences between the motorway and the shared path as well as sound barriers.

Should you believe that we have not dealt with your request appropriately, you are able to make a complaint to the Office of the Ombudsman in accordance with section 27(3) of the LGOIMA Act and seek an investigation and review in regard to this matter.

Ngā mihi,

Alan Wallace  
**Group Manager Road Asset Maintenance and Renewals**
