Dear Grant

Thank you for your request under the Official Information Act 1982 (the Act), dated 2 August 2023. You requested the following information:

“a breakdown of Piritahi's outgoing's since its inception. In particular the revenue of each alliance company. I would prefer totals but there may be other ways to present the data.”

On August 17, we contacted you to clarify your request and asked that you reply by 21 August. We also advised that Kāinga Ora does not hold revenue data for the private companies that make up the LEAD Alliance. No reply has been received.

From December 2018 to the end of July 2023, the total expenditure and value of the work delivered by LEAD Alliance (formerly Piritahi) was \$671.9 million.

Completed works to date include house removal, land remediation, civil design and construction, and infrastructure upgrades for more than 82 hectares of land, with works on a further 40 hectares of land currently underway.

The work undertaken by the Alliance across five large-scale projects undertaken by Kāinga Ora in Auckland, has so far enabled the delivery of more than 4,900 homes, seen the completion of major stormwater projects in Northcote and Roskill South, and delivered many other infrastructure and amenity improvements.

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Please note that Kāinga Ora proactively releases responses to official information requests where possible. Our response to your request may be published at <https://kaingaora.govt.nz/publications/official-information-requests> with your personal information removed.

Yours sincerely
