Dear Mitchell,

I refer to your request, made under the Official Information Act 1982 (the Act), asking:

*In the Ministry of Transport's "Passenger rail networks in the regions" briefing from ~2016, included in the appendix is a map of the traffic density of KiwiRail's network, showing the net tonnes carried on each line in the 2015 Fiscal Year. I would like to know if KiwiRail has and can provide an updated version of this, say for the 2021 or 2022 Fiscal Year. I would prefer it in map form, but a table/spreadsheet would also be fine.*

We have considered your request and have attached a PDF showing KiwiRail's net freight tonnage density for FY23 (i.e. for the year ending 30-Jun-2023).

We trust this answers your request.

You have the right to seek an investigation and review of this response by the Ombudsman, in accordance with section 28(3) of the Act. The relevant details can be found on the Ombudsman's website: [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz).

Yours sincerely,

*D Dalgety*
