Erika Whittome
fyi-request-24695-0fa6fa0e@requests.fyi.org.nz

Dear Erika

Thank you for your Official Information Act (OIA) request, received on 9 November 2023. You requested the following:

Would you please share any annual budget details for your spending on any contract and advisory services when you engaged Wigram Capital Advisors since 2019.

Please include any final reports or summaries and ownership of these summaries thereof produced as a result of Wigram Capital Advisor services which you engaged during this time period.

The Treasury has had two contracts with Wigram Capital Advisors since 2019. A contract in 2021/22 totalled \$30,000, and a contract in 2022/23 totalled \$50,000. These contracts provided COVID-19 modelling, and analysis of macroeconomic developments in Asia.

The COVID-19 modelling provided through to November 2021 has previously been released. As per your request, the Treasury is releasing additional modelling that was not included in that initial release:

Date	Document Description	Decision
November 2021 - February 2022	Reports produced for Treasury by Wigram Capital Advisors	Released in full

The following information is publicly available on the Treasury website:

Date	Document Description	Website Address
March 2021 - November 2021	Reports produced for Treasury by Wigram Capital Advisors	https://www.treasury.govt.nz/publications/oia-response/request-reports-wigram-capital-oia-20210484

Accordingly, I have refused your request for the information listed in the table above

under section 18(d) of the OIA, as the information requested is publicly available.

Due to the large volume of reports produced over that period, we have only included reports relating to COVID-19 in New Zealand. If you wish to receive reports concerned with COVID-19 internationally you may request them separately.

The Treasury is withholding information relating to the analysis of macroeconomic developments in Asia under 9(2)(b)(ii) of the OIA - to protect the commercial position of the person who supplied the information, or who is the subject of the information.

Please note that this letter (with your personal details removed) and enclosed document may be published on the Treasury website. This reply addresses the information you requested.

You have the right to ask the Ombudsman to investigate and review my decision.

Yours sincerely

Jacinta Gould
Manager, Economic Policy
