Subject: Introductory meeting with the Minister

Hiya,

Just chatted with the SPS on the meeting tomorrow including the time and who the Minister wants to attend. It has moved to 3:30pm (working with Jo as a few of you will have the Hon Melissa Lee at the same time).

The preference is that tomorrow is just the CE, DCE's and policy lead if needed. Unless necessary, others can come at the weekly officials meeting which will be on Monday (only 2.5 days later).

Please let me know if this presents a problem and I can re-chat to the Minister.

Ngā mihi

Chris
