Hi Chris, great start to 2024!
I know you will be flat out, but I thought I'd let you know that I'm in Wellington Monday and Tues, coming to Dana's Maiden Speech on Tues afternoon. If you want a quick catch-up re [REDACTED] I'm happy to chat. It would be good to get something underway soonest.
Cheers Anne

Hi Chris, Great to see you and hear your interesting speech, I think the PM's 11 is a great idea!! Thanks so much for the catch-up, it was really helpful to understand your thinking. I'm definitely in full support of your direction, just short of time!! And want to help you guys look good and in control!

Happy to talk further about it when it suits you.
