Circumstances:

Police attended and assisted with the evacuation. The students congregated on the school field well away from all buildings. Armed police staff cleared all school buildings for persons and items of interest. Once completed the students were moved to the gymnasium where they remained until uplifted by parents/caregivers or school buses.

## Other Matters:

Several parents arrived the school upset and concerned. Staff communicated well to ease their concerns and the children were released as soon as it was deemed safe to do so. This operation was completed by school staff and overseen by police due to the ongoing security concerns.

There were multiple New Zealand schools who received similar threats at this time. It is suspected that the original call was made from oversees. Enquires are being made at a national level to identify the offender.
