Dear Mr Randle

## Information related to the Bus Rapid Transit Indicative Business Case

As you will be aware, the Office of the Ombudsman is currently investigating Greater Wellington Regional Council's (GWRC) decision to withhold from you the formulae that sit behind the Bus Rapid Transit Indicative Business Case (BRTIBC) benefit and cost calculations.

In order to provide you with assurance that the work undertaken to produce the BRTIBC was robust, GWRC has elected to release the following documents to you:

- Beca report: Bus Rapid Transit Indicative Business Case Independent Quality Assurance Review 2015 – dated 2 July 2015
- Terms of Engagement between GWRC and PricewaterhouseCoopers (PwC) for the BRTIBC.

Please note that we have removed the cost of the provision of service from the Terms of Engagement between GWRC and PwC for the BRTIBC.

Yours sincerely

**Luke Troy**
