Dear Mr Andrews

Request under the Official Information Act 1982
Our Ref: OIA353/1

I refer to your request to the Department of Corrections dated 9 October 2015 (transferred to Crown Law) and our response dated 25 November 2015. Unfortunately the answer given in relation to the action "Arthur Taylor Vs Attorney general of NZ & CEO Dept Corrections CIV-2013-404-4141 [2015] NZHC 1706" was incorrect. The correct information is set out below.

To date the Department of Corrections has been invoiced fees and disbursements in respect of CIV-2013-404-4141 in the following amounts:

	Fees	Disbursements	Total
Total	\$3,896.31	\$2,914.12	\$6,810.43

The information provided to you in our earlier response inadvertently excluded some fees and disbursements incurred on CIV-2013-404-4141.

In addition to these amounts, further disbursements of \$7,551.07 have been incurred by Crown Law acting on the Attorney-General's behalf in respect of CIV-2013-404-4141.

I should also clarify the previous response on costs incurred by the Attorney-General on CIV-2013-404-4141. When representing the Attorney-General (in his capacity as a Law Officer) in litigation, as occurred in CIV-2013-404-4141, Crown Law does not invoice the Attorney-General for professional fees meaning the figure previously provided to you was incorrect. However we can advise counsel engaged by Crown Law performed approximately 292 hours of work on the Attorney-General's behalf in respect of CIV-2013-404-4141.

Yours sincerely
Crown Law
