Dear John

Subject: Official Information Act request Re: hospital parking

Thank you for your request for information under the Official Information Act received by Lakes DHB on 28 October.

You have asked for each public hospital;

- Do they obtain revenue directly or indirectly from car parking charges
- When they began receiving any revenue
- The amount of money received each year in car parking charges
- If charges are just levied against members of the public and or if staff are expected to pay too
- If there are any exemptions or limits to the charges imposed at each site.

Lakes DHB does not charge for parking for either staff or visitors.

Yours sincerely

Ron Dunham
Chief Executive
