Dear Ms Evans

Official Information Request - Building Code Performance Clauses

I refer to your official information request received on 23 November 2015.

This letter is to notify you that the New Zealand Fire Service Commission is extending the timeframe in which it will answer your request. It does so under section 15A of the Official Information Act 1982. The Commission's response will now be provided by 22 January 2016.

The reason for the extension is that:

- Your request is for a large quantity of official information and meeting the original time limit would unreasonably interfere with the operations of the Commission.

Section 28(2) of the Official Information Act 1982 allows you to make a complaint to the Office of the Ombudsman, P O Box 10-152, Wellington, if you are unhappy with this decision.

Yours sincerely

Rob Pope
Director, Office of the Chief Executive
