Dear Mr Frank

Local Government Official Information and Meetings Act 1987 (LGOIMA)

CAS-353799-J2Z8L3

Thank you for contacting AT on 13 January 2017 with the following request:

Under the Local Government Official Information and Meetings Act I request any information on the routing of buses and locations of bus stops in the precinct of the Greenlane Clinical Centre. This should include any documents such as correspondence, reports, and meeting minutes. While included in the above request, I am also particularly interested in any analysis of the time added to bus schedules by the current routing through the precinct in contrast with possible more direct routes in the precinct of the Greenlane Clinical Centre.

For the purposes of clarification, I am not referring to information that only states or discusses whether certain bus routes should or do enter the precinct or not.

Please find the documents held in relation to the planning of the bus route and bus stop locations in the precinct of Greenlane Clinical Centre as requested. In accordance with section 7(2)(a) of the LGOIMA, identifying information has been removed to protect the privacy of natural persons.

We trust the information has addressed the matters raised however, should you believe that we have not responded appropriately to your request, you have the right in accordance with section 27(3) of the LGOIMA to make a complaint to the Office of the Ombudsman to seek an investigation and review in regard to this matter.

If you have any further queries please contact Auckland Transport on 09 355 3553 quoting Official Information request number CAS-353799-J2Z8L8.

Yours sincerely
