

7 September 2017

John McKellar

E-mail: fyi-request-6296-810c5987@requests.fyi.org.nz

Dear Mr McKellar

Local Government Official Information and Meetings Act 1987

CAS-557475-Z5X6N4

Thank you for contacting Auckland Transport (AT) on 28 July 2017 requesting the following information:

"I would like to have copies of any and all communication, decision or consideration, whether it be internal, with the applicant or any other party in relation to Fulton Hogan's application for an HPMV permit for McNicol Road in Clevedon."

You subsequently wrote on 29 August 2017 regarding the delay to your request for information.

First, let me apologise for the delay in replying to you, due to an administrative oversight I only received this case on Friday 1 September 2017.

My team is involved in the processing of HPMV permit applications.

All HPMV applications are submitted via an online portal to NZTA as they are responsible for issuing HPMV permits. Where part of the route is on roads under the control of Auckland Transport (AT) then the application is referred to AT for review to ensure the roads and bridges are strong enough and suitable for the proposed HPMV load.

We have received three applications for HPMV permits to operate out of the McNicol Road Quarry operated by Fulton Hogan.

The first one was received on 29 July 2016, and was declined.

The next 2 were received on 3 March 2017 and 11 July 2017. Both these permit applications were checked by AT staff and it was established that the roads and bridges were strong enough for the proposed loads. AT informed NZTA that the AT roads and bridges were OK. NZTA subsequently issued these two HPMV permits.

The applications and associated correspondence, and permits that were issued by NZTA are attached as requested.

Please note that redactions have been made to identifiable information in accordance with section 7(2)(a) of the LGOIMA, as withholding of the information is necessary to protect the privacy of natural persons.

We trust the above information has addressed the matters raised however, should you believe that we have not responded appropriately to your request, you have the right in accordance with section 27(3) of the LGOIMA to make a complaint to the Office of the Ombudsman to seek an investigation and review in regard to this matter.

Yours sincerely

Al Christ
Manager, Road Corridor Access
