Dear Aaron

Information Request – Detailed list of fire appliances in operation

I refer to your official information request dated 2 August 2017 regarding: Detailed list of fire appliances in operation.

In accordance with the provisions of the Official Information Act 1982, I *enclose* the information you requested. We do not maintain a central record of the purchase year for the vehicles that transferred to Fire and Emergency NZ on 1 July. For these appliances the year of manufacture has been used to determine years in operation. Please also note that this list does not contain brigade owned appliances with the exception of Waiau Pā, which has a community owned appliance as its main operational appliance.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Yours sincerely
