Dear Mr Keen

Thank you for your request made under the Official Information Act 1982 (the Act), received on 25 September 2018. You requested the following:

How many individuals who were liable to make child support payments estimated their income more than once during the 2017 tax year?

In the 2017 income tax year, 733 parents who were liable to make child support payments estimated their income more than once. The table below shows the breakdown of the number of income estimates and the number of liable parents.

Number of estimates of income (1 April 2016 – 31 March 2017)	Number of Liable Parents
2	627
3	95
4	9
5	2

Thank you for your request.

Yours sincerely
