To whom it may concern

Botany are one of the fastest growing area in Auckland. Large number of people from different culture are coming to settle down in this area.

As the Vice Chairman of Chaoshan General Association and the President of Chaoshan Youth Association of New Zealand, I often communicate and interact with people in relative parties, organise and oversee activities for both associations.

With the experience I have during working for those associations, I believe that I can help people in mult-culture to better understand the core values of kiwi, and also start better quality lives in such area as a Justice of the Peace.

Sincerely,

Shijia Zheng
