Please note the following concerning the data contained in this spreadsheet:

- This data is provided from the road traffic crash database; Crash Analysis System (CAS)
- Data is limited to fatal and serious injury crashes reported by the Police to the NZ Transport Agency for the years 1988 to 2018 as recorded in CAS to date - 4/03/2019
- Data is limited to crashes on State Highway 73 between Mount Bealey Road, Arthurs Pass and Settlement Road, Otira
- Traffic crash data covers all NZ roadways or places where the public have legal access with a motor vehicle
- Due to the police reporting time frame and subsequent data processing there is a lag from the time of a crash to full and correct crash records within CAS
- Due to the nature of non-fatal crashes it is believed that these are under-reported, with the level of under-reporting decreasing with the severity of the crash
