ACC needs extra time

The Act requires that we advise you of our decision on your request no later than 20 working days after the day we received your request. Unfortunately, it will not be possible to meet that time limit and we are therefore writing to notify you of an extension of the time to make our decision, to 9 March 2020.

This extension is necessary because consultations with the external and internal parties to be named is necessary to make a decision on your request. As such that a proper response cannot reasonably be made within the original time limit.

Release of personal information

ACC does not routinely release personal details on public websites, such as www.fyi.org.nz. Therefore, we intend to send our response to your private email address as it relates to ACC staff members and contracted providers.

It would be appreciated if you could confirm your private email address to GovernmentServices@acc.co.nz. Please advise us by **21 February 2020**. If we have not heard from you within five working days, ACC will proceed with considering your request under the Act.

How to contact us

Please contact me on Government.Services@acc.co.nz if you have any questions or.

If you are not happy with this response, you have the right to make a complaint to the Ombudsman. Information about how to do this is available at www.ombudsman.parliament.nz or by phoning 0800 802 602.
