Kia ora James,

The information you requested - CAS-470888-Z9S6Z3

Thank you for your request for information dated 23 November 2021 regarding the number of infringement notices that have been issued for 'out of date' Warrant of Fitness and Vehicle Licence (Registration) for the period 15 September 2021 to 30 November 2021.

The Waka Kotahi Moratorium information can be found at <https://www.nzta.govt.nz/about-us/coronavirus-disease-covid-19-services-update/documents-with-temporary-extensions/>. This covers WoFs/CoFs that expired during the period of 21 July 2021 to 30 November 2021 and Vehicle licences (regos) that expire during the period 21 July 2021 to 30 November 2021. If a mistake is believed to have been made regarding an infringement within these dates, the relevant party has the option to dispute the infringement and the Adjudication team will deal with these on a case-by-case basis.

The data below reflects the number of infringements issued to vehicles that have expired WoF/CoF's/regos outside of these dates covered by the moratorium:

C101-No evidence of current vehicle inspection - private vehicle	802 infringements issued
C201-No evidence of current vehicle inspection - commercial vehicle	40 infringements issued
P411- Current licence label not affixed in prescribed manner – parked vehicle	1005 infringements issued

The moratorium does not cover expiries prior to nor post the dates provided within the moratorium. Any questions based on the development of the moratorium and dates selected should be addressed to Waka Kotahi.

“Please also provide ALL communications to parking wardens concerning the current exemption period and outlining your enforcement of this offence during this period.”

I have attached a copy of the information to this response. Some information has been withheld under section 7(2)(a) of the LGOIMA, to protect the privacy of natural persons, including that of deceased natural persons.

Should you believe that we have not dealt with your request appropriately, you are able to make a complaint to the Office of the Ombudsman in accordance with section 27(3) of the LGOIMA Act and seek an investigation and review regarding this matter.

Regards
