Dear John

I refer to your information request dated 17 November 2022 made under the Official Information Act 1982 (the Act). You have requested grade and mark distributions for the ACCT211 and ACCT222 papers from 2020 – 2022, including those who have Failed Terms.

Subject to the following comments, please find attached the information you have requested. Please note that there are three sheets in the attached document (one for each year).

- please note that ACCT222 has been offered in Semester 1 and Semester 2 for the years requested. ACCT221 was offered in Semester 1 for 2020 and 2021, but was offered in Semester 2 in 2022.
- on occasions where fewer than five students have failed a paper (i.e. received a grade of Fail D, Fail E, Failed Compulsory Assessment or Failed Terms), we have determined that it is necessary to withhold the marks and specific grades for these students to protect their privacy and wellbeing. We consider that withholding this information is necessary to protect against the identity of these students being determined/inferred, and their personal information (i.e. their marks) could be disclosed. We therefore withhold this information pursuant to section 9(2)(a) of the Act.
- in the attached grade and mark distributions, we note that students who withdrew from the papers are excluded from the data.
- please also note that all final grades for papers completed in Semester 1 2020 were increased by 5 marks to account for disruptions created by COVID-19. In Semester 2 2020, final grades of 47, 48 or 49 were bumped up to 50 (pass).

I trust that this information will be helpful.

In the above cases, we consider that good reasons exist for withholding information and this is not outweighed by other considerations which would make it desirable, in the public interest, to make the information available. If you are not satisfied with our response to your information request, section 28(3) of the Act provides you with the right to ask an Ombudsman to investigate and review this response. However, we would welcome the opportunity to discuss any concerns with you first.

Yours sincerely
