Kia ora Thorndon Residents' Association,

Thorndon Connections

Thank you for your request made under the Local Government Official Information and Meetings Act 1987 (the Act), received on 31 January 2023. You requested the following information:

Please provide a digital copy of EVERY, or any, engineering drawing that details the present state-of-play regarding proposed layout changes being considered for all the streets that form any part of the proposed Thorndon connections routes of the Bike Network. That is, all the routes outlined on this WCC page: [Thorndon connections | Projects - WCC Transport Projects](#)

Wellington City Council has granted your request for information. However, please note that the below documents are outdated. These plans are from 2022 and do not reflect the current state of play. Significant changes to the designs have been made since then as a result of a Road Safety audit and ongoing discussions with our working group and key stakeholders in the area.

Following the focus group between yourselves and the City Design Team next week, plans will be further updated to reflect feedback. We limit the number of design submissions to avoid re-work and manage version control.

The attached plans are outdated and not finalised, have not been rendered for public view, and we recommend they are not shared widely as they will cause unnecessary confusion for the public. The City Design Team will be explaining the designs, at a high level, at the focus group next week and sharing the updated plans as part of the public consultation planned at for early March. We can provide you with the updated plans when we receive them later in February.

Due to their files size, the plans are available at this link, which will expire after 30 days:

Right of review

If you are not satisfied with the Council's response, you may request the Office of the Ombudsman to investigate the Council's decision. Further information is available on the Ombudsman website, www.ombudsman.parliament.nz.

Please note, we may proactively release our response to your request.

Thank you again for your request, if you have any questions, please feel free to contact me.

Kind regards
