Transfer of your request for official information

Thank you for your request under the Official Information Act 1982 (the Act) to Manatū Hauora (the Ministry of Health) on 12 June 2023. You requested:

“Please provide a list of the hospital buildings throughout NZ that contain Medical emergency facilities or surgical facilities or national reserve stockpiles or emergency generators and other such facilities required for the above facilities to remain operating after a seismic event along with the buildings current %nbs at IL4, the date of the last assessment, and the type of seismic assessment completed. Also each building that is currently identified as the building intended/likely to be used as an EOC by the relevant health authority after a seismic event. Please provide the buildings current %nbs at IL4, the date of the last assessment, and the type of seismic assessment completed. Alternately if you do not hold/cannot provide the above please provide the last seismic assessment for the buildings identified above.”

The requested information is more closely connected to the functions of Te Whatu Ora – Health New Zealand. For this reason, I have decided to transfer your request to their agency under section 14(b)(ii) of the Act. You can expect a response from Te Whatu Ora in due course.

Under section 28(3) of the Act, you have the right to ask the Ombudsman to review any decisions made under this request. The Ombudsman may be contacted by email at: info@ombudsman.parliament.nz or by calling 0800 802 602.

Subject: Official Information request - Hospital Buildings Seismic Performance

Dear Ministry of Health, Te Whatu Ora

Please provide a list of the hospital buildings throughout NZ that contain

Medical emergency facilities or
surgical facilities or
national reserve stockpiles or
emergency generators and other such facilities required for the above facilities to remain
operating after a seismic event

along with the buildings current %nbs at IL4, the date of the last assessment, and the type of
seismic assessment completed.

Also

each building that is currently identified as the building intended/likely to be used as
an EOC by the relevant health authority after a seismic event.
Please provide the buildings current %nbs at IL4, the date of the last assessment, and the type
of seismic assessment completed.

Alternately if you do not hold/cannot provide the above please provide the last seismic
assessment for the buildings identified above.

Yours faithfully,

Frank
