Good afternoon

Thank you for your Official Information Act (OIA) request, received on 18 November 2023. You requested:

Treasury uses MailChimp platform to manage subscription services to its Guest Lecture Series. The seminars are by definition open to everybody, including European Union citizens, where General Data Protection Regulations (GDPR) are a legal requirement.

It is part of MailChimp requirement that all subscribers are made aware of how their personal data will be stored and shared and as such it is also part of Treasury's requirement, even though it's not part of New Zealand regulation.

Please provide a copy of the contractual agreement between Treasury and MailChimp, and any other relevant information you may deem necessary to give.

As MailChimp is a subscription-based software service, by paying a subscription, the Treasury agree to its Terms of Service, and these can be found on their website at: <https://mailchimp.com/legal/terms/>.

Additionally, you may find the Treasury's Privacy Statement of interest: <https://www.treasury.govt.nz/privacy>.

Please note that this letter (with your personal details removed) may be published on the Treasury website. This reply addresses the information you requested. You have the right to ask the Ombudsman to investigate and review my decision.

Yours sincerely,

Diana Cook
