Dear Troy Michie

On behalf of Gabriel Makhlouf, Secretary to the Treasury, I acknowledge receipt of your letter requesting:

“... source of the \$40b that has borrowed since 2008, mainly the companies/banks that this money has been borrowed from as well as the rates of interest that have been charged and also any costings/quotes from the companies that were not used as a source of borrowing (as I would assume that there would have been some research into who would be best value to borrow from).”

Your request was received by the Treasury on 9 June 2015 and will be dealt with in accordance with the provisions of the Official Information Act.

Yours sincerely

S Charles
