Dear Joshua Grainger

Thank you for your Official Information Act request, received on 3 August 2012. You requested the following:

"the source code of the NZ Budget application for iPad, iPhone and Android."

Information to be Withheld

I have decided to withhold the source code in full under section 9(2)(b)(i) of the Official Information Act 1982 – to protect information where the making available of the information would disclose a trade secret.

In making my decision, I have considered the public interest considerations in section 9(1) of the Official Information Act.

This fully covers the information you requested.

You have the right to ask the Ombudsman to investigate and review my decision.

Yours sincerely

Colin Hall
