Dear Harriet

**Auckland Transport reference CAS- 543207-V8H0G3**

Thank you for your email of 11<sup>th</sup> August, our response to your request is noted below.

*Many business cases are mentioned in the **ATAP August 2017 Update** could the **business cases for the below** in said report please be released to me*

**1. ITP Consolidated response template - Network optimisation programme**

We are unable to provide the network optimisation programme business case as there is no such document. The network optimisation programme is a package of a significant number of projects and initiatives to be delivered across AT and NZTA and there is no one business case for the programme.

**2. Airport PBC**

Please find attached the Airport Programme Business Case

If you have any further queries, please contact me on (09) 447 4522 during business hours, quoting Auckland Transport reference number CAS-543207-V8H0G3

Yours sincerely

Theunis Van Schalkwyk
