Dear John

Thank you for your Official Information Act request, received on 9 May 2021. You requested:

I would like to request a list of vacancy (ministerial appointment only, e.g. board member, Lay member, Trustee etc) that the nomination period has been closed but still under consideration by treasury or relevant Minister.

In your list, can you please included the date that vacancy been advertised and when the vacancy been closed as well. Also, Any current live vacancy? I know you have a website that regularly advertise the appointments information.

Also, I would like to know if you have any future opening in 2021. e.g. the position that will call for nomination in the year of 2021.

I note that the Treasury contacted you on 17 May 2021 and proposed clarifying the request by providing a list of positions which went through a public call for nominations and are still under consideration. This was to acknowledge that the Treasury does not have information on future board appointment rounds as they are dependent on decisions by the responsible Minister.

All positions usually go through a public call for nominations, with a few exceptions, e.g. when there had been a public call for nominations shortly beforehand. There is currently one appointment round still under consideration for the ACC board where positions did not go through a public call for nominations as the Minister for ACC had called for nominations in mid-2020 for a similar skill set.
