Dear Scott

Official Information Act request relating to COVID-19 Monitoring Reports

Thank you for your Official Information Act 1982 (the Act) request received on 3 September 2021. You requested:

*“I would like to make a request for copies of all DPMC COVID-19 monitoring reports, dated since the beginning of August
For clarity, I am asking for copies of the type of report I received in response to a request I made to DPMC earlier this year, e.g. this report dated 22 September 2020.”*

I have decided under section 15A of the Act to extend the time limits for deciding on your request by an additional 20 working days. Consequently, the extended due date for your response will be 1 November 2021.

The extension is required because of the consultations needed to make a decision on your request. Despite the extension, a response will be sent to you as soon as possible.

You have the right to ask the Ombudsman to investigate and review my decision under section 28(3) of the Act.

Yours sincerely

Sarah Corbett
