Tēnā koe Harry

Thank you for your Official Information Act request to the Cabinet Office, dated 2 July 2022, for the following information:

All documents and Cabinet papers mentioning Whangarei in relation to infrastructure and health funding decisions from the date beginning October 2017.

On 24 August 2022, Cabinet Office transferred your request to us, as they thought the request would be better serviced by the individual agencies, including the Department of Conservation. In their transfer letter, they noted several papers that may be in scope; however, upon further review, we can confirm that those papers are not in scope of your request.

On 6 September 2022, we sought to clarify your request, as we were uncertain as to what information you would like to receive. To date, we have not received a response back.

I regret that I am not able to provide you with the information you seek without further clarification. Section 12(2) of the Official Information Act states that “the official information requested shall be specified with due particularity in the request.” We do not believe your request has been made with due particularity. As a result, I have closed your request.

If you wish to receive information from us, we would be happy to respond to a more specific request.

If you would like to discuss this response or lodge another Official Information Act request, please contact governmentservices@doc.govt.nz and they will be happy to assist.

Nāku noa, nā
