Tēnā koe Shane Gibson

I refer to your email of 30 April 2023 in which you request the following under the Official Information Act 1982 (OIA):

I would like an extract of the annual amount spent with all suppliers for the 2021/2022 financial year.

I would like this data in an open format, csv or json formats would be suitable.

I would like the following details provided:

- *Supplier Name*
- *Suppliers NZBN number (if available)*
- *Total Amount Spent*

On 26 May 2023, the timeframes for making a decision on your request was extended to 12 June 2023.

On 12 June 2023, the Ministry made a decision to release information relevant to your request, please find this information attached in a CSV excel spreadsheet. I note that the figures are GST exclusive.

Some information is withheld under section 6(a) of the OIA, to protect the security and defence of New Zealand. The Intelligence and Security Act 2017 (ISA), and certain other Acts of Parliament, provide for the intelligence and security agencies to protect certain information, in order to discharge their national security responsibilities effectively. The Public Finance Act 1989, in particular section 45E, and the ISA, in particular section 221 which substitutes sections 43 and 44 of the Public Finance Act, together provide for the protection of detailed financial information from public release, because that information would reveal information regarding the capabilities or activities of the intelligence and security agencies.

Allowing or enabling a public picture of our interests to be created would be an untenable security and intelligence outcome, and would interfere with New Zealand's legitimate national security interests.

If you have any questions about this decision, you can contact us by email at: DM-ESD@mfat.govt.nz. You have the right to seek an investigation and review by the

Ombudsman of this decision by contacting www.ombudsman.parliament.nz or freephone 0800 802 602.
